PETITION FOR RULE VARIANCE OR WAIVER

Petitioner/Licensee Information:

Name: Sean Kilgus AKA Lady Bree or Bree

Address: 3790 Wake Robin Way

Cumming GA 30028
(City) (State) (Zip)

Agent: _____
(Name of agent filling petition if licensee is a corporation)

Board: _____

License #: _____ **Type of License:** MMA Fighter

Telephone #: 678-485-7316

O.C.G.A. § 50-13-9.1(c) requires that a register of all pending requests for, and all approved variances and waivers be posted on the GeorgiaNet. Waiver/Variance requests shall to granted or denied in writing no earlier than 15 days after posting and no more than 60 days after the receipt of the petition. Please plan the submission of your request accordingly.

I hereby petition the Georgia Board for the following action (select one):

☐ **Variance** (if you are requesting that a rule be MODIFIED in your particular situation)

☒ **Waiver** (if you are requesting that a rule, or part of a rule, NOT BE APPLIED to your particular situation)

Petitioner must provide the following information (attach additional pages if needed):

1. If an attorney or other representative will assist you with this petition, please identify:

   Name:_____Telephone #:_____

   Address:

   _____

2. State the specific rule from which this variance or waiver is requested:
   Rule 85-3.09. Apparel

   _____.

3. State how strict application of the rule, identified in #2 above, would create a substantial hardship for you that would justify the Board granting this variance or waiver: (The term "substantial hardship" means a significant, unique, and demonstrable economic, legal, technological or other type of hardship which would impair your ability to continue to function in our profession.)

   As a feminine male I consider my nipples as private. This is no biological difference. Women are allowed to wear tops for mma fights and I see no reason I should not be granted the same right. I would not feel comfortable being forced to fight with no top.

   _____.

4. State the alternative standards you agree to meet and describe how such alternative standards will afford adequate protection for the public health, safety, and welfare:

   I feel this is a pretty simple solution. I will wear a compression fitting top like female fighters do.

   _____.

5. The rule, identified in #2 was enacted to serve the purpose of an underlying statue. State how this variance or waiver will still serve the purpose of the underlying statue. (You may wish to refer to a copy of the laws and rules which can be located at: www.sos.state.ga.us/plb.

   At the moment I don't see a specific reason for the apparel rule. The GA SOS site is down.

   _____.
