A motion was made by Kay Kendrick, seconded by Evelyn Reid, and the Board voted unanimously to accept the December 15, 2008 Citation hearing minutes.

Theresa McComb appeared before the Board and asked that the Board consider distance learning for esthetics students. The Board directed staff to write a letter to Larry Robertson at DTAE to ask them to share their information about distance learning for cosmetology students with the Board.

Buster Edmonds appeared before the Board to report that three school inspections had occurred recently. Two schools were found to be in violation of several issues. One school had no students at the school at the time of the inspection; however the instructors at the school were checked; and, this school had no violations at the time of the inspection.

Executive Director's report

Lisa Durden, Executive Director, gave the following reports:

- The Cosmetology Frequently Asked questions have been updated and sent to IT to be posted on the web.
- Ms. Durden asked that the Board consider limiting the length of time that test scores are valid and to consider the length of time that school and apprentice

records may be valid for licensure purposes without further education or training. After some discussion, the Board decided to review the rules concerning these issues and discuss at the next meeting.

- A number of foreign trained applications have come to the Board office. The Board decided to contact NIC to find out if NIC has a way to verify foreign education/training.
- Report of licenses issued November 25, 2008 through December 31, 2008, (646 licenses).

Wanda Brooks made a motion, Michelle Turley seconded, and the Board voted unanimously to ratify the report as follows:
