Lisa Durden, Executive Director reported on the status of online renewals for licenses which expired on August 31, 2009.

Ms. Durden also reported that several applications have been added as online applications: hair designers, estheticians, nail technicians, cosmetology instructors, nail technician instructors, hair designer instructors and esthetician instructors. DL Roope is printing information about applying online on their letters to exam candidates who have passed the examination.

Ms. Durden distributed copies of DL Roope's updated exam applications. There are some changes: Requests for Veteran's Preference Points will be submitted with license applications; Deny was added to the list of Board's discretion on the application authorization; and, the photo ID requirement was changed per the request of Legal Services and the Attorney General so that applicants from any state or territory in the United States could use their driver's license or state issued ID from that state or territory.

***A motion was made by Evelyn Reid, seconded by Kay Kendrick, and the Board voted unanimously to enter Executive Session in accordance with O.C.G.A. §43-1-2(k) and 43-1-9(h) to deliberate on applications and enforcement matters and to receive information on applications and investigative reports.
