She reported that David Jones, Board Chair for the Georgia State Board of Barber, and Executive Director, Deborah Beard also attended the NIC Region Conference held February 27-29, 2015 in Savannah, Georgia. Kay Kendrick briefly discussed information shared at the meeting which included some states deregulating some licenses. A video was shown at the Region Conference showing how eyelash

extensions are applied. The video was an interesting video. Kay Kendrick informed the Board she feels this is a service that should require licensure and is glad to know that is in the proposed legislation House Bill 314.

### **UPDATE ON SCHOOL OVERVIEW MEETING HELD MARCH 9, 2015**

Cynthia Stein reported 273 people attended the school overview meeting held March 9, 2015, by NIC. She discussed that PSI is allowing examinees to wear what they want instead of lab coats and smocks. Examinees are not required to wear chemical capes during chemical services. The Board feels students should know about capes. Tripods are now acceptable. Examinees are required to bring a curling iron with a cord to the test. New blood exposure procedures have been added to the Esthetics and Nail Technician Exams. The Overview included discussion on the nail kits and the increase from two bags to three bags for implements. Brush and exfoliation has been added to the Esthetics exam. A pencil and a four (4) foot string can be used for microdermabrasion to show they can manipulate the wand. Examinees are required to bring hard wax in a simulated warmer/like soft wax not in a pot. This was a good meeting and informative to all who attended.
