### **EXECUTIVE DIRECTOR**

- ProVision Barber Academy – Executive Director Andrew Turnage presented a request from ProVision Barber Academy for the Board to recognize completion of training by its students to exam in Georgia. The Board discussed jurisdiction regarding the request. Since South Carolina schools do not fall under the jurisdiction of the Board because they are located outside the State of Georgia, schools in other states cannot be endorsed or approved by the Board. The Board does approve courses as meeting Georgia’s requirements for students to exam. Each student must apply individually for licensure in Georgia. No vote taken.

### **PROPOSED RULES**

David Jones motioned, Virgil Ergle seconded, and the Board voted unanimously to refer Rule 240-3-.02 Continuing Education Provider Registration [See ATTACHMENT A] to the Attorney General for a Memo of Authority from the Department of Law and, upon receipt of a memo, to schedule a Proposed Rules Hearing in December 2016 or January 2017 at the Professional Licensing Boards Division, 237 Coliseum Drive, Macon, Georgia 31217, along with the economic impact statement that the formulation and adoption of these rules does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives of O.C.G.A. §43-10-2(d). The public may find the proposed rule when posted on the Board website at [http://sos.ga.gov/index.php/licensing/plb/16/cosmetology\\_proposed\\_rules](http://sos.ga.gov/index.php/licensing/plb/16/cosmetology_proposed_rules)

#### **Economic Impact Of The Proposed Rule On Small Businesses**

For each of the proposed rules chapters, the Board discussed the economic impact of the proposed rule pursuant to O.C.G.A. § 50-13-4(a)(3)-(4). Specifically, the Board discussed whether the economic impact of the rules on small businesses could be reduced, where applicable, by establishing different reporting requirements, clarifying reporting requirements, establishing performance rather than design standards, or exempting small businesses from requirements of the rules. The Board also discussed whether the proposed rules imposed excessive regulatory cost or whether costs could be reduced by a less expensive alternative that accomplishes the objectives of the statutes forming the basis of the proposed rules.
