Vice-chairman Randy Thompson declared a quorum was present and called the meeting to order at 9:48 a.m.

The division considered the petition for variance and application from Roderick Charles Schoenvogel to be allowed to take the master plumber exam without holding the journeyman license for 2 years because it would create a substantial hardship. After consideration of the facts, Mr. Swords moved, seconded by Addis and the Division voted to deny the Petition for Variance or Waiver because the petition did not meet the criteria and further that there was no unusual hardship demonstrated.

There being no further business, the meeting was adjourned at 9:50 a.m.
