**Board Meeting**  
**February 23, 2012**

Craig Fluck, Examination Analyst, met with the Committee regarding amending the Private Detective examination. The Committee and Renee Shockly of PSI, via teleconference, reviewed an outline of the original examination content. The Committee discussed how many questions they would like to have included for each topic on the examination. The Committee will need to identify the number of items in each subtopic and what kind of questions they would like to include for the examination. Ms. Shockly stated that it would be possible to have a web-x seminar with the Committee to learn the procedure on how to write the questions for the examination. The questions will be written with the help of Subject Matter Experts. The Committee identified Professional Investigator's Manual written by ASIS International as a reference book that could be used by applicants for a study guide in preparation of taking the State Examination.

The next meeting of the Board will be April 26, 2011 at 9:00 a.m. at 237 Coliseum Drive, Macon, GA.

**Adjournment:**

There being no further business, the meeting was adjourned at 12:05 p.m.
