The Division discussed the application intake and the Request for Proposal (RFP).

A motion was made by Roger Huggins and seconded by Timothy Ansley to expand the motion from the June 21, 2006 full Board conference call meeting involving the acceptance of multifamily projects in the General Contractor application. This new expanded motion adds to the June 21, 2006 motion by stating that a maximum of two multifamily projects that house three or more families and consist of three or less stories in height will be accepted in the General Contractor applications. Thus, three out of the five projects in the General Contractor applications must be commercial in nature.

With no other business to discuss, Division Chairperson Roger Huggins adjourned the meeting at 10:55 a.m.
