**Members Absent:**

Roger Huggins

At 10:10 a.m., Chairperson Thayer established that a quorum was present and called the meeting to order.

A motion was made by Morgan Wheeler, seconded by Mark Herbert, and the Board voted unanimously to accept the December 5, 2007 full Board meeting minutes.

Kyle Floyd delivered the Executive Director's Report.

Mr. Floyd discussed new businesses applying for licensure by examination. He has discussed this issue with board member Timothy Ansley and some of the association members. The five year issue is not a factor with licensure by examination. As a result, brand new companies that might have an agent applying will not have the financial records to meet the bank or CPA requirements. Mr. Ansley has reviewed some applications with this issue. This might be more of an issue for the General Division because of the CPA requirements. Chairperson Thayer stated that this is something the board members need to think about and be ready to discuss at the January meeting.

A motion was made by Bob Barnard, seconded by Allen Richardson, and the Board members present: Philip Thayer, Tim Ansley, Bob Barnard, Mark Herbert, Tommy Holder, Hoppy Hopkins, Melissa Henderson, Allen Richardson and Morgan Wheeler, voted unanimously to enter into Executive Session for application discussion.

A motion was made by Bob Barnard, seconded by Allen Richardson, and the Board voted unanimously to move back into Open Session.

A motion was made by Bob Barnard, seconded by Melissa Henderson, and the Residential Basic Division voted unanimously to not accept an application for licensure by examination exemption that was submitted after the deadline by the following:
