Dear Chairman Hopkins and Board members,

STATE LICENSING BOARD FOR RESIDENTIAL AND GENERAL CONTRACTORS

Board Meeting: April 1, 2009

Over the past few months, I have had the pleasure of speaking to many organizations and constituents about the Secretary of State's Office and issues facing Georgia. Several of these groups and individuals were impacted by Georgia's licensing law for contractors. I have heard nothing but very positive comments regarding the work of the Board and the Board support team in introducing and implementing contractor licenses in our state.

Two weeks ago, I spoke to a group of women small business owners. A member of the audience specifically complimented our process and our team. In comparing her experience to other states, she said that customer service, efficiency, ease and timeliness of the process were far superior.

I wanted to thank each of you for your efforts and commitment in making this law in Georgia a reality. I am grateful for your continued efforts as we work through the various issues regarding contractor licensing. Your commitment continues to enhance the profession and consumer protection in our state.

Sincerely,

Karen C. Handel
