Mr. Thigpen moved in order for the applicant to be considered as a duly qualified applicant, he must enroll in and pass a complete course (classroom and clinical components) in nursing care for children, maternal/infant nursing, and mental health/psychiatric nursing. It would be satisfactory if the nursing care of children and the maternal/infant nursing courses were combined as maternal/child nursing. These courses must occur at an approved nursing education program leading to initial licensure as a registered nurse which has criteria similar to, and no less stringent than, those established by the Georgia Board of Nursing. The Registrar of the educational institution must submit an official transcript documenting the passing of this course directly to the Board of Nursing. [410-6-.02 (1),(2)(c)] Mrs. Easterly seconded the motion and it carried unanimously.
