60 students and faculty representatives from 3 Board approved Georgia practical nursing programs.

Ms. Owensby greeted the attendees, explained her role as the President of the Georgia Board of Examiners of Licensed Practical Nurses and introduced the Board Members and the Assistant Attorney General Representative. She stated she has worked for Madison Health and Rehabilitation for 15 years. Her love for working with older people led her to work in the Geriatrics Field. Ms. Owensby stated: "We all want a paycheck but you have to love what you do. Please value your license and be the professional person that you know how to be at all times".

Ms. Harte explained she was a newly appointed Board member. She stated she has worked in a hospital setting for many years. She began as a pediatric nurse and in 1988 decided to retire. Once she retired, she worked as an EMT part-time. Now she has been at St Joseph's/Candler Health for 24 years as a (ICU/PCU Manager). You learn everyday; "keep your eyes and ears open at all times." Remember what you are there for.

Ms. Hilliard stated she has worked 11 years at McRae Manor Nursing Home as a treatment nurse. She stated she loves working with the older generation like Ms. Owensby and that is why she choose Geriatrics. She stated often you don't realize how fast you may get in trouble. Things that you may take for granted, stop and think about it!

Ms. Penn stated she was a newly appointed Board member also. She has been a nursing instructor for Flint River Technical College for 17 years. Ms. Penn asked all the seniors in the audience to stand up. She stated once you get out in the nursing field please protect your license and please **"DON'T DO DRUGS and DON'T HANG AROUND THOSE THAT DO DRUGS"**.

Ms. Mitchell stated she has been a Registered Nurse for 25 years. She has served on the Board for about 7 years. Appointed as the Board's Cognizant member by the Board, she receives and reviews all complaints and makes recommendations to the full Board on suggested disciplinary actions to take or not take. The Board has the final decision. She stated lately she has received an increase in the amount of complaints on nurses for Patient and Verbal Abuse. Each of you has a tremendous future in front of you. Always be nice because you **will** make an impact on someone's life. It's the Board's primary job to protect the general public, and you as well. Do the right thing and be proud of what you are going to become. There is **"NO SUCH THING AS JUST AN LPN; YOU WILL NEVER BE JUST AN LPN"**.

Ms. Tuggle stated she is the only member that is not an LPN. She stated she has been a School Teacher for many years and as the appointed Consumer Member for the Board she looks at situations on a different level. She stated she actually works for the PUBLIC. "I look at the situation as if I would want this nurse to work on me or my family". Remain true to your profession. Stay on top with your renewals and expiration dates at all times.

Board Meeting Minutes
May 9-11, 2007

Ms. Jackson stated her role on the Board is as the Assistant Attorney General assigned to the Board for legal representation. She works with disciplinary matters as well as the Laws and Rules for the Board. She states she is also the Attorney General's office representative for several other Boards.

Ms. Jackson asked the group: "Did you know that Georgia has higher standard for LPN'S than any other Board? You are better trained and educated than many of your peers in other states!"

Ms. Jackson asked that each student become familiar with the Laws and Rules governing the profession, especially the nursing scope of practice. Remember, the Board makes the decision to issue, refuse to issue, restrict, revoke or suspend a license. Clinical practice is not all that nursing consists of. LPN'S provide a range of other duties such as assessments, evaluations, and other related health care services

Ms. Jackson stated you can do drugs or you can have a nursing license but you can't do both. If in doubt, disclose any situation that may have come about in your lifetime on your application. In closing please communicate with the Board with name changes, address changes; etc. The post office doesn't forward mail forever. Do your part and stay on top of your license.

The Board answered questions on the following topics:

- o LPNS and RNS are doing the same type of job. Why is there a money gap between the two?
- o What is the update on the QMA Project?
- o Is the Milledgeville area phasing out License Practical Nurses?
- o Who will supervise the Qualified Medication Aides?

Following a brief period of questions and answers, and there being no further new or old business for the Board to discuss, Ms. Owensby moved and Ms. Mitchell seconded and the meeting was adjourned at 2:00pm.
