

**Georgia State Board of Examiners for the Certification of Water and Wastewater
Treatment Plant Operators and Laboratory Analysts
Board Meeting
June 21, 2011**

Public Hearing:

A public hearing was held on June 21, 2011 at 237 Coliseum Drive, Macon, GA, for the purpose of considering a rule waiver or variance request. Margaret Doss, Chairperson, called the hearing to order at 9:34 a.m. The hearing was adjourned and the Board began its regular meeting.

Tony Rojas moved, Eric Osborne seconded, and the Board voted to approve the request due to the applicant having maintained a license in the state of California and continuing to practice in the field. The Board believed that requiring the applicant to re-test was unnecessary for someone that has continued to work in the profession, maintained sufficient continuing education and practiced under current industry standards.

A meeting of the Georgia State Board of Examiners for the Certification of Water and Wastewater Treatment Plant Operators and Laboratory Analysts was held on June 21, 2011 at the Professional Licensing Boards Office in Macon, GA. Margaret Doss, Chairperson, called the meeting to order immediately following adjournment of the public hearing.

A quorum was established with members present being: Margaret Doss, Chairperson via teleconference, Stanley Tate, Eric Osborne and Tony Rojas.

Others present were as follows: Steve Lindsey, Executive Director; Amelia Baker, Assistant Attorney General via video conference and Melanie Brown, Board Support Specialist.

Approval of Minutes:

Stanley Tate moved, Tony Rojas seconded, and the Board voted to approve the minutes of the April 14, 2011 Board meeting.

Executive Session:

Stanley Tate moved to enter into Executive Session to deliberate on applications, complaints, and investigations, as authorized by O.C.G.A. § 43-1-2 (k) and 43-1-19 (h). Eric Osborne seconded the motion. The motion was carried by Margaret Doss, Chairperson, Stanley Tate, Eric Osborne and Tony Rojas. The Board concluded Executive Session in order to vote on the matters discussed and to continue with the public session.
