

GEORGIA STATE BOARD OF OPTOMETRY

The Georgia State Board of Optometry has adopted Rule 430-2-.04. ARBO's OE Tracker Program is designed to archive into a centralized data base CE attendance data from any format. Continuing Education shall be verified on all licensees through the Association of Regulatory Board of Optometry OE Tracker Program. Each administrator of Continuing Education Credit that gives credit to more than five doctors at any single event shall register all attendees and credit them with the Association of Regulatory Boards of Optometry OE Tracker Program.

It is the sponsor's responsibility to obtain a barcode reader from ARBO to swipe the OD's ARBO OE tracker card or have the OD records his/her OE tracker number on the sign in sheet. The sponsor also has the responsibility to fax the attendance sheet to ARBO. Details can be obtained by emailing arbo@arbo.org.

In this packet, please find a Continuing Education Program Application, and, a copy of Chapter 430-2-.04, *Requirements; Approval of Educational Programs*. Georgia State Board of Optometry C.E. Rules

430-2-.04 Continuing Education Requirements; Approval of Educational Programs.

(1) The Board has pre-approved continuing education (post-graduate) courses from schools and colleges of optometry accredited by the Council on Optometric Education of the American Optometric Association; a maximum of ten (10) hours per biennium in ophthalmologic related courses taught by the Medical College of Georgia, Emory University, Mercer University and Morehouse College; any courses offered by the American Optometric Association or its regional or state affiliates; the Society of Professional Optometrists of Georgia; the SECO International, LLC, the Council on Optometric Practice Education (C.O.P.E.) and any courses approved by C.O.P.E. All preapproved continuing education providers must give notification of their courses on a timely basis to all Georgia Optometrists. Any other individual or organization desiring Board approval of an educational program sponsored by the individual or organization, or particular segments of such a program shall submit a request for approval to the State Board of Optometry, 237 Coliseum Drive, Macon, Georgia 31217, not later than thirty (30) days prior to the scheduled date of such program. Each administrator of continuing education credit that gives credit to more than five doctors at any single event shall register all attendees and credits with the Association of Regulatory Boards of Optometry- OE Tracker Program. The Board will act on such request within thirty (30) days after receipt of the request for approval. Any request for Board approval of an educational program must include the following information:

(a) The identity of the sponsor, including:

1. The name and address of the sponsoring individual(s) or organization and a description of any organizational form (e.g., unincorporated association, non-profit corporation, etc.) and the date of organization;
2. The name and address of the principal officers of the sponsor.

(b) A description of the program, including:

1. With respect to each course for which approval is sought:

(i) the name and address of the instructor;

(ii) the title of the course;

(iii) a brief biographical sketch of the instructor including a detailed description (curriculum vitae) of his/her academic qualifications and a listing of prior publications including published speeches, which relates to the subject matter of the course;

(iv) an outline of the proposed content;

(v) the number of hours for which approval is requested, including a specification of those hours relating to practice management.

2. The scheduled time and place of the course;

3. A description of the method by which course attendance is to be monitored;

4. The amount of any registration fee, tuition or other charge for attendance, including a statement of any difference in such charges, which depend on membership in the sponsoring organization;

5. A sample of any advertisement or announcement intended to be employed concerning the program.

(c) Such additional information as the Board may request in the course of its deliberations concerning the application for approval.

(2) The following course content will not satisfy the continuing education requirement:

(a) Courses dealing with social and health trends;

(b) Any course unrelated to or not designed to enhance the professional skill of the practitioner;

(c) Courses conducted by any individual who is the owner of or is directly connected with any optical wholesale concern unless approved by the Board.

(d) CPR.

(3) A doctor of optometry is expected to ascertain in advance that the courses, which he/she attends, have received prior Board approval and do not fall within the exceptions of sub-part (2).

(4) Board approval of any educational program under this section relates to the program as proposed to the Board. In the event the actual program does not substantively correspond to the proposed program approved by the Board, the board will not give credit for that program under Code Section 43-30-8. The Board will not consider for approval the program as modified.

(5) Minimum hours required. The Board requires a minimum of 36 hours of attendance at Board-approved continuing education programs.

(a) licensed in the first year of the biennium will be required to obtain eighteen (18) hours of continuing education. This requirement applies regardless of when you establish practice in Georgia. Licensees practicing in Georgia shall obtain one (1) hour biennially of CE in ethics and Georgia laws and rules. All CE on ethics and Georgia laws and rules must be prior approved by the Board. Georgia licensed optometrists that are not practicing within the state are not required to earn the one hour of ethics and Georgia laws and rules.

(b) Those licensed in the second year of the biennium are not required to obtain continuing education in that biennium.

(c) New licensees are required to obtain 36 hours per biennium beginning in the third calendar year of licensure.

(d) If required to obtain CE hours, all licensees shall obtain one (1) hour of Board-approved continuing education in ethics and Georgia laws and rules. Georgia licensed optometrists not practicing in Georgia are exempt from acquiring the one (1) hour of CE in ethics and Georgia laws and rules.

(e) A maximum of eight (8) hours per biennium will be allowed as continuing education credit for grand rounds. One (1) hour credit will be allowed for every two (2) hours spent in grand rounds.

(f) A maximum of ten (10) hours of continuing education credit will be allowed per biennium for any coursework that is offered by correspondence or electronic medium, which coursework is approved or sponsored by any provider identified in paragraph (1) of this rule.

(g) A maximum of ten (10) hours of continuing education credit will be allowed per biennium for practice management course work, as long as it is patient care related.

(h) Effective January 1, 2006, of the thirty-six (36) required hours, a minimum of 18 hours of continuing education per biennium is required for pharmacology and pathology courses as related to ophthalmologic conditions.

(6) Reporting and Auditing. The method of reporting and auditing continuing education shall be:

(a) At the time of license renewal, each Optometrist shall certify to the Board that he/she has completed the continuing education required for license renewal. Furthermore, the licensee shall verify that all board approved continuing education credits have been posted to the ARBO OE-Tracker site. In the event that continuing education credits are not posted on OE-Tracker, the licensee may not renew his/her license until continuing education hours are submitted to the Board or its designated agents.

(b) The staff of the Professional Licensing Boards shall audit the continuing education of a percentage of licensees for compliance with all rules and regulations. However; continuing education shall be verified on all licensees through the Association of Regulatory Boards of Optometry-OE Tracker Program.

(c) Each licensed Optometrist shall maintain records of attendance and supporting documents for continuing education for a period of three (3) years from the date of attendance. These records of attendance may be used as proof of hours should the verification of hours not be registered with the Association of Regulatory Boards of Optometry- OE Tracker Program.

(d) Deferral of the requirement for education program hours may be considered by the Board.

Requests for deferral must be submitted to the Board in writing and should include complete documentation of the reasons for the request. Deferral will be considered for the following reasons:

1. certified illness; and
2. hardship.
