

Instructions for Engineer-In-Training (EIT) Applicants

*****NEW*** Do not apply to the Georgia Board for certification as an EIT unless you have already passed the FE exam. To register to sit for the NCEES FE Exam, please go to this website, www.ncees.org. You must either have graduated with a Bachelor's degree in Engineering, Engineering Technology or a related-science OR have at least eight (8) years of acceptable engineering experience under the direct supervision of a licensed PE to qualify for certification as an EIT in Georgia.**

Note: Please read this instructions sheet, the Board Laws, Rules and Policies on the website before calling the Board office.

Either type or print neatly and legibly on this application. Illegible and incomplete applications will be returned to you.

**The Complete Application and all supporting information (score letter, endorsements, references and transcripts) plus the fee must be mailed to the Georgia State Board of Registration for Professional Engineers and Land Surveyors at:
237 Coliseum Drive, Macon, GA 31217-3858.**

The applicant is responsible for gathering the information from his/her endorsers, college(s) and other state boards.

1. Have each agency/institution/person send the item directly to you (the applicant), in a sealed envelope, signing the back flap of the envelope to ensure no tampering.
2. Gather all sealed envelopes along with your application and send the entire package to the Georgia State Board of Registration for Professional Engineers and Land Surveyors office.
3. If the application is incomplete or one of your items is missing or opened, you will be notified by e-mail.

Section 1: General Information

Address: Preferred *permanent* complete mailing address.

Email Address: This will be the primary form of correspondence for the Board.

Section 2A: Record of Education

Transcripts must be sent from all colleges attended, whether you graduated or not. If your post-secondary education was earned in the US or its territories, transcripts must be sent to you in a sealed envelope for you to include in your application packet to the Board with your application. Some Colleges and Universities will not send the transcript to you. If this is the case, include a note along with your complete application package to inform the Board that the College or Universities will be forwarding the transcript(s) directly to the Board office.

Applicants whose post-secondary education was earned outside the US are required to provide an evaluation of such education to the Board. It must be performed by NCEES (www.ncees.org) who will forward a copy of your completed evaluation and transcript to the Board electronically.

Section 3: Experience

If you are applying under O.C.G.A. 43-15-8(1) or 8(2), then you may skip Section 3. If you are applying under O.C.G.A. 43-15-8(3), not having acquired an engineering degree, related science degree, or ABET accredited technology degree, then please complete Section 3 columns entitled: Company Name, Your Title, Part Time, From, To, and Total Months and you must describe your experience using the Professional Engineer endorsement forms. Forms may be downloaded from our website: www.sos.state.ga.us/plb/pels. The 2-page endorsement form is Section 6 of the PE Exam application.

Account for all post-secondary (post high school) engagements in chronological order beginning with your first held position. Beginning dates should indicate month and year. Identify part time work and indicate number of hours per week.

All gaps (in college, employment, etc.) must be identified on the appropriate form. This includes non-engineering work, unemployment, sabbaticals, incarceration, gaps between high school and college, or between college and first engagement, etc. If you did not go directly into college from high school, then account for time since high school graduation.

Section 4: References

All applications must include at least five references not related by blood or marriage, of whom at least three (3) of the references must be registered professional engineers. It is not required that they be registered in Georgia). The name of each reference must be accompanied by a SIGNATURE, in ink.

Section 5: Affidavit

Application MUST be signed and officially notarized. The notary is verifying the applicant's signature, not the references.

Fee:

See Fee Schedule for appropriate fee and be sure to enclose a check or money order. Checks should be made payable to *Secretary of State*. If fee is not attached, application may be returned.

Deadlines:

There is no set deadline for this application. This application may be submitted at any time AFTER you have been notified that you passed the FE Exam. If the application is complete and approved by the Board, then you will be certified as an EIT when the application is processed. **The certification date will not be the exam date.**
