The Georgia State Board of Funeral Service discussed changing the application for Funeral Director in Full & Continuous Charge and application for a Crematory to ask for a copy of a Crematory Operator Certification.

The Georgia State Board of Funeral Service discussed establishing a rule that would address crematory establishment that also provide cremation services for pets. While no issue has been brought to the Board's attention, the Board discussed establishing a rule prohibiting such

Georgia State Board of Funeral Service

Board Meeting

February 12, 2013

establishments from comingling human bodies and bodies of pets in the same refrigeration area and in the same retort. Further discussion will take place on this proactive measure.

The Georgia State Board of Funeral Services discussed the change for Inspection process on the application for a new Establishment. Specifically, beginning March 1, 2013, applicants for new funeral and crematory establishment licenses must be ready for inspection when the application is submitted. Past practice has been to allow the establishment to submit an application and notify the Board office when the establishment is ready to be inspected. The new procedure will require the applicants to hold the application until the establishment is ready to be inspected. Board staff will request inspection of establishments during the application review process. Any establishment that fails inspection will be subject to the additional inspection fee of \$100.00.

David Roach moved, Bryant Hightower seconded, and the Board voted to establish a policy to state that all Funeral Directors in Full & Continuous Charge for licensed Crematories have until June 30, 2014 to become certified as Retort Operators.

There being no further business, the meeting adjourned at 3:00 p.m.

The Georgia State Board of Funeral Service's next meeting will be held Tuesday, March 12, 2013 at 10:00 a.m. at the Professional Licensing Boards Office, 237 Coliseum Drive, Macon, GA.
