President Dumas established that a quorum was present and called the Board meeting to order at 9:02 a.m.

Ms. Dumas welcomed representatives from Albany Technical College, Early County campus to the meeting and following introductions, discussed the program's status.

The Board adjourned at 9:45 a.m. to attend the Annual Public Meeting of the Georgia Board of Examiners of Licensed Practical Nurses.

**GEORGIA BOARD OF EXAMINERS OF
LICENSED PRACTICAL NURSES
ANNUAL PUBLIC MEETING
FRIDAY, MAY 6, 2005
10:00 A.M.**

The Annual Public Meeting of the Georgia Board of Examiners of Licensed Practical Nurses was held on May 6, 2005 at 10:00 a.m. in the Examination Room of the Office of the Secretary of State, Professional Licensing Boards, 237 Coliseum Drive, Macon, Georgia.

MEMBERS PRESENT:

Jacqueline Dumas, LPN, President
Mary Lynn Bellville, LPN, Vice President
Barbara Mitchell, RN, NHA, Cognizant
Le Ann Tuggle, Consumer Member
Julia Nell Shaw, RN, Educator Member
Grace Taylor, LPN, Past President
Judy Hilliard, LPN

MEMBERS ABSENT:

OTHERS PRESENT:

Jacqueline Hightower, Executive Director; Janet Jackson, Assistant Attorney General; Felicia Mackey, Application Specialist; Valencia Bailey, Secretary; Pam Candler, Board Secretary; Hattie O'Bryant, Liaison Georgia Licensed Practical Nurses Association; 170 students and faculty from 14 Georgia Technical Colleges.

Ms. Hightower greeted attendees; explained her role as the Executive Director of the Georgia Board of Examiners of Licensed Practical Nurses and introduced the Board Members and Assistant Attorney General. She directed the nurses to the Secretary of State's website and also to the National Council of State Boards of Nursing website. She advised the nurses never to use the term or initials GPN and told them never to forget that their licenses always expired on March 31, of every odd numbered year.

Ms. Dumas discussed her role as President and provided a brief discussion of the activities of the Board over the previous year. She stated that she had been a Licensed Practical Nurse for over twenty years and the Assistant Director of Nursing at her employer. Her responsibilities include conducting the meeting, reviewing and approving daily agendas, making sure the meeting goes according to the agenda.

Ms. Shaw discussed her role as the Educator on the Board. She is the Director of Instruction at Middle Georgia Technical College and has been a Nurse Educator for 13 years. She is currently teaching on-line classes. She stated that the total mission of the Board is to protect the public. Currently, the state has 59 programs, with 32 schools under the Department of Technical Adult Education and 3 programs sponsored by the Board of Regents. This year, we made it Board policy that any schools that wanted to start a program in Practical Nursing be accredited by the DTAE. The Board regulates curriculum of the nursing programs and classes that must be taught in addition to monitoring passing rates on the NCLEX.

Ms. Mitchell stated that she has been a Registered Nurse for 25 years and a Nursing Home Administrator for 9 years. She has served on the Board for four years and her function as the

cognizant is to receive and review all complaints and make appropriate recommendations on each one. During the previous month, she reviewed over 65 complaints for presentation to the Board. Her recommendations include closure of the complaint, close with a letter of concern to the nurse from the Board; referral to the Enforcement and/or Attorney General's office. The disposition on the cases can be anywhere from license revocation to probation with a consent order. Complaints she reviews include alcohol and/or drug abuse; theft of patient medications; arson; manslaughter; murder; failure to document; patient neglect; patient abuse; unprofessional conduct; prescription issues; battery; failure to report an assault; DUI; child endangerment and unlicensed practice. It is the employer's duty and responsibility to verify licensure.

Ms. Tuggle told the board that she is the consumer member. She is a teacher, a librarian and a media specialist. She holds nurses in the highest esteem and her duty as the consumer member is to represent the citizens of Georgia. Her main responsibility is to ascertain that no patient or citizen has been hurt, mentally or physically, by any of Georgia's Licensed Practical Nurses.

Ms. Taylor is the former president of the Board as well as the former cognizant. She retired from nursing in 2004 but remains active both on the Board and the Georgia Association for Licensed Practical Nurses. She wanted to tell the students that some facilities will not allow them to do what they have been trained to do, and that Attitude will determine Altitude.

Ms. Bellville is a fairly new Board member, being appointed in November of 2004. She has worked for Madison Health and Rehabilitation for the last 13 years and loves Geriatrics. She is still learning how to be a member of the Board, but so she is enjoying it and learning more about Licensed Practical Nurses daily.

Ms. Hilliard has been a Long Term Care practical nurse for 13 years in Eastman Georgia. She too is a new Board member, having been appointed in November of 2004. The best advice she wanted to offer the group was to document everything, because if it is not written, it is not done.

Ms. Jackson in her role as the Assistant Attorney General handles disciplinary matters as well as Laws and Rules for the Board. She also works for the Registered Nursing Board and the Cosmetology Board. She is not able to get any tickets to concerts, and she does not have a brother named Michael. She stated that Nurses keep us alive and we understand your daily challenges. She stressed that each student become familiar with the Laws and Rules governing the Board as well as the scope of practice. If anyone chooses to do drugs, then they will not have a license in this state.

Ms. O'Bryant encouraged everyone to join the Georgia Licensed Practical Nurses Association. "It is your association and you will have the opportunity to meet with other Georgia Licensed Practical Nurses."

The Board answered questions on the following topics:

- Where can students locate the Nurse Practice Act?
- Where can students find their scope of practice?
- Is the NCLEX going to become harder?
- Will schools, the Board or employers be required to perform Criminal Background Checks?

The Annual Public Meeting adjourned at 12:00 p.m.

MEMBERS ABSENT:

OTHERS PRESENT:

Representatives from Bainbridge College, DeKalb Technical College; Albany Technical College; Southwest Georgia Technical College; Jacqueline Hightower, Executive Director and Pam Candler, Board Secretary.

Ms. Shaw presented a power point presentation on ways to improve test scores and how the Board can help them achieve their goals. She outlined the procedures i.e., self study report, site visit; developing critical thinking, decision making and problem solving skills for the students and possibly providing a developmental studies program when necessary. Other ways to improve test scores would include better screening of incoming students a review of admission criteria for the program, setting a standard grade point average and ascertaining that no text book in any class is older than five years. Curriculum matters would include developing a grading tool for each course and establishing student tasks as well as teaching clinical and theory content together. Clinical facilities must have available preceptors, use evaluation tools and have updated laboratory facilities. Attendance must be mandatory and each facility must be able to accommodate the students and offer diverse clinical experience. Nursing staff is encouraged to visit with other program directors and staff and develop a plan for success and stick with it. Faculty must orient themselves to the NCEX-PN test plan and never be too embarrassed to ask questions.

After a brief question and answer period, the meeting adjourned at 3:30 p.m.

Board members returned to Room 102 to complete their meeting.

Albany Technical College:

The Board elected to table this issue until the July meeting since they asked the faculty to present further information. Students who have not taken the NCEX-PN need to register and take it before the July meeting. **Ms. Mitchell moved and Ms. Hilliard seconded and the Board voted to pend action on Albany Technical College until the July Board Meeting.**
