Certified Medication Aides:

Ms. Mitchell provided the Board with an update on the Certified Medication Aide program and to prepare them for meeting with Mary Lou Rahn and Roberta Schulte on November 3, 2005. The Georgia Department of Human Resources already has drafted legislation allowing non-licensed personnel to administer medication in group living arrangements. Currently, the Certified Medication Aide Pilot program will be taught only at Atlanta Technical College, with requirements of 16 hours of continuing education between renewals in addition to NCIC and GCIC checks. Supervision will be overseen by Registered Nurses. In all probability, the Licensed Practical Nursing Board will have jurisdiction over the Certified Medication Aide program.

Ms. Tuggle moved and Ms. Taylor seconded and the Board voted to adjourn the meeting at 4:15 p.m.

RE: Certified Medication Aide Pilot Project

Dear Mr. Ortiz:

Mary Lou Rahn and Roberta Shulte from the Georgia Department of Human Resources, Division of Mental Health, Developmental Disabilities and Addictive Diseases presented information regarding the Certified Medication Aide Task Force and pilot project at our Board meeting in Macon on November 3, 2005. The information and materials presented were very informative. As the Board that licenses, regulates and oversees the education of licensed practical nurses in Georgia, the Board is very interested in this project and its potential effects upon the health, safety and welfare of the citizens of Georgia. The Board also recognizes the national movement toward the administration of medication by non-licensed personnel.

Upon careful consideration of the information presented, the Georgia Board of Examiners of Licensed Practical Nurses supports the pilot project as proposed by the task force representatives. The Board requests that we continue to have opportunities for comment and input through the participation of our designated board member in the task force meetings. As that group develops and proceeds with the pilot project, please keep us informed of the project's progress and the proposed legislation that may be needed.

Sincerely,

THE GEORGIA BOARD OF EXAMINERS

Authority: O.C.G.A. § 43-26-35.

Ms. Tuggle moved and Ms. Mitchell seconded and the Board voted that the formulation and adoption of 400-3-.09 and 400-3-.10 does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives of Official Code of Georgia Annotated §§ 43-26-35(2); 43-26-35(9) and 43-26-35(10).

Ms. Bellville moved and Ms. Hilliard seconded and the Board voted that it is not legal or feasible to meet the objectives of O.C.G.A. §§ 43-26-35(2); 43-26-35(9) AND 43-26-35(10) to adopt or implement differing actions for businesses listed at O.C.G.A. §50-13-4(3)(A) and that the formulation and adoption of Rule 400-3-.09 and 400-3-.10 will impact every licensee in the same manner and each licensee is independently licensed, owned and operated in the field of Licensed Practical Nursing.

Ms. Shaw moved and Ms. Taylor seconded and the Board voted to adjourn the meeting at 1:00 p.m. to commence the Public Hearing portion of the meeting.

OTHERS PRESENT:

OTHERS PRESENT FROM NURSING PROGRAMS:

Doris Carmichael; Gina Peterson; Wanda Green; Rita Wagner; Michelle Miller; Sylvia Rozier; Sheila Croft; Irona Spikes; Patricia Balkcom and Kathy Callahan.

After introductions, Ms. Dumas called the meeting to order and invited questions or comments from the floor concerning the proposed change to Rule 400-6-.01 Fees:

Ms. Rozier had several questions and issues that she wanted to address on behalf of the Nursing Programs:

- (1) She asked that the word "New" be inserted in the area pertaining to fees charged for Nursing Programs so that currently existing programs would not have to pay a fee to open a satellite program.

Board Response: Ms. Mitchell stated that the word "New" is not necessary because the Rule states applicants which is a connotative form of the word "New"

- (2) Due to budgeting constraints does the Board know how much the fee will be

Board Response: The Board has yet to determine the amount of the fee

- (3) Would the Board consider reducing fees for new graduates because she felt that \$40.00 was excessive

Board Response: That option is not available because of the amount of processing time each application receives, it would not be feasible to reduce that fee.

Georgia Board of Examiners of Licensed Practical Nurses
Board Meeting Minutes
November 2-3, 2005

(4) Since Technical Colleges and the Professional Licensing Board are both State entities, isn't the Board placed in a position of taking advantage of the Technical College by charging any fee to them for services which should be free as they have in the past?

Board Response: Since the Professional Licensing Board is a self-sustaining division and all monies are deposited in the "general fund" it does not mean that fees will be returned to the Board. The Board has no choice but to charge a fee for all its services.

Ms. Carmichael asked what they could do to get fees returned to the Board.

Board Response: Ms. Tuggle suggested that everyone write to their legislators and request that fees be returned to the Board that originated them and used for their operating expenses.

Ms. Rozier asked when the Board would begin the Site Visitation program and Mr. Zimmerman explained that the Board had been handling the annual reports and faculty change requests and that the search continues for an Education Consultant.

Ms. Dumas thanked those who attended the meeting and informed them that the Board would consider their remarks before they made their decision.

The Board reconvened their Board Meeting at 2:00.

Ms. Mitchell moved and Ms. Taylor seconded and the Board voted to adopt the changes to Rule 400-6-.01 as follows:

400-6-.01 Fees. Amended.

- (1) Refer to fee schedule for appropriate fees payable to the Board.
- (a) An indebtedness to the Board caused by a returned check will be dealt with in accordance with Code Section 16-9-20 of the Criminal Code of Georgia;
- (b) Fees may be reviewed and changed at the discretion of the Board;
- (c) Any request for refund must be submitted in writing within 30 days of the payment;
- (d) Application fees are non-refundable.
- (2) Fees may be charged for the following:
 - (a) Applications for Licensure
 - (b) Applications for Practical Nursing School and program fees;
 - (c) Renewal;
 - (d) Late Renewal;
 - (e) Duplicate license and/or identification card. If a name change occurs, the licensee must submit a request for a duplicate card accompanied by a copy of either a marriage certificate or court order and the required fee. Name changes occurring during the renewal period may be processed without additional fee if a copy of the marriage certificate or court order is attached to the application for license renewal;
 - (f) License verification;
 - (g) Rosters, Labels and Tapes of Licensees;
 - (h) Copied Materials;
 - (i) Any additional fee the Board deems appropriate.
