Following introductions, Ms. Dumas called the meeting to order and invited questions or comments from the floor concerning the proposed change to Rule 400-3-.09 which increases clinical experience of “Preceptors” from one year to three years within the preceding seven years.

Many of the faculty members present felt that this change would present a hardship for schools and students because of the difficulty in finding preceptors with three years experience who had not moved up the career ladder and who would be willing to take the time to work with the students.

Some felt that the newly licensed preceptors would be better prepared to give the students a fresh outlook and more up-to-date information.

Ms. Mitchell suggested that the Board receive written comments from the schools before this rule can be changed and that the Board table discussion on this rule change until a later time. The Board's primary concern is to make certain that the students get an excellent learning experience from their preceptors.

Ms. Dumas requested oral comments on proposed Rule Change 400-6-.10 which would reduce the current required eight (8) licensed hospital or nursing home beds to three (3) per student and reducing percentage for required clinical experience hours to be obtained in a hospital setting from 50% to 40%.

Mr. Hannigan stated that the OB/Peds rotations were getting more critical as more and more doctors are curtailing their practices. The practice of Pediatrics has become a monopoly in the hospital rotations, the OB/Peds departments are catering to the Registered Nursing Students and the Licensed Practical Nursing students are participating in third shift rotations.

Ms. Dumas thanked those who attended the meeting and informed them that the Board could consider their remarks before they made their decision.

The Board reconvened their Board Meeting at 10:00 a.m.

Agenda: Ms. Tuggle moved, Ms. Bellville seconded, and the Board approved the Agenda as amended.

Minutes: Ms. Hilliard moved and Ms. Bellville seconded and the Board approved the minutes from the November, 2005 Board meeting as written.

Rule 400-3-.09 – Preceptor and Preceptorial Learning Activities. Amended

Ms. Mitchell moved and Ms. Tuggle seconded and the Board voted to table adoption of this rule and reconsider at a later date.

Rule 400-3-.10 – School Requirements: Rules and Policies. Amended

Ms. Mitchell moved and Ms. Tuggle seconded and the Board voted that the formulation and adoption of 400-3-.10 does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives of Official Code of Georgia Annotated §§43-26-35(2); 43-26-35(9) and 43-26-35(10).

Ms. Hilliard moved and Ms. Bellville seconded and the Board voted that it is not legal or feasible to meet the objectives of O.C.G.A. §§43-26-35(2); 43-26-35(9) and 43-26-35(10) to adopt or implement differing actions for businesses listed at O.C.G.A. §50-13-43(3)(A) and that the formulation and adoption of Rule 400-3-.10 will impact every licensee in the same manner and each licensee is independently licensed, owned and operated in the field.

Ms. Mitchell moved and Ms. Tuggle seconded and the Board voted to adopt Rule 400-3-.10 as posted

Update on CMA/QMA Program:

Ms. Mitchell gave an update on the Certified Medication Aide Program. The title has now been changed to Qualified Medication Aides and the Education Program has been revamped to eliminate non-medical administration items. The proposed legislation addresses it as a permanent program, putting it under the auspices of the Registered Nursing Board. One area of contention continues to be licensing and or certification along with Registered Nurses being the only nurses performing in a supervisory capacity. It is not addressed anywhere that this is a pilot program and the current proposed legislation does not agree with the program as set up by the task force. There is a conference call scheduled for January 25, 2006 to discuss the proposed legislation.
