400-3-.02 New Nursing Education Program Development. Amended.

(1) Definitions.

(a) “Affiliating Clinical Facility” refers to a contracted health care agency utilized by a sponsoring agency for clinical experience of the students enrolled in a Board-approved nursing education program.

(b) “Campus laboratory” refers to the area in the classroom building which has been designed and organized to simulate the actual hospital patient care setting and where students shall obtain initial practice on each other and/or mannequins prior to experience at the affiliating clinical facilities.

(c) “Clinical learning focus objectives” refer to those outcomes and competencies to be gained by student assignment to a specific affiliating clinical facility and/or area within the agency.

(d) “Clinical rotation plan” refers to the schedule by which students shall be assigned to and rotated through the appropriate experiences available at each affiliating clinical facility (The quarterly Clinical Rotation Plan), and to the plan by which students shall be assigned to and rotated through all of the affiliating clinical facilities during the entire nursing education program (The Master Clinical Rotation Plan).

(e) “Learning Resource Library” refers to published literature, audiovisual aids, and all other educational materials available to faculty and students in the nursing education program.

(f) “Master Curriculum” Plan refers to the written summary showing the sequence of all courses offered in the nursing education program. It includes the number of contact or actual clock hours for each theory and clinical component of each course, the total hours of theoretical and clinical per quarter, and the total hours of theory and clinical for the entire program.

1. Theory includes those learning activities which occur in the classroom and campus laboratory setting.

2. Clinical includes pre- and post-conferences, actual patient care experience, and other patient-centered learning activities which occur in the clinical facility.

(g) A “Nursing Education Program” refers to a Board-approved program of practical nursing which has met the requirements of Board Laws and Rules in its establishment and operation in this state.

(h) “Sponsoring Agency” refers to a parent institution of the nursing education program which is affiliated with, or under the control of, the Georgia Department of Technical and Adult Education, the Georgia Department of Education, or the Georgia Board of Regents. In addition, the parent institution shall be accredited by either or both the Council on Occupational Education (“C.O.E.”) or the Commission on Colleges of the Southern

Association of Colleges and Schools (C.O.C.S.A.C.S.). The parent institution shall provide financial and administrative support during the establishment and operational existence of a Board-approved nursing education program. Any change in the parent institution's accreditation or affiliation shall be reported to the Board within 30 days of such change.

(i) "Survey of need" refers to statements from potential affiliating clinical facilities' nursing directors on agency letterhead which describe each agency's current staffing patterns, the current number of vacancies per type of nursing personnel category; and the projected utilization of each level of nursing personnel within the facility in response to the changes occurring in the health care delivery system.

(j) "Syllabus" refers to a written summary of a course in the nursing education program. It includes the course title and number, its credit distribution, placement in the curriculum sequence, prerequisite and corequisite courses, a course description, learning goals or objectives, related learning activities, and clinical experience facility, if appropriate.

(2) At least twelve (12) months prior to the proposed enrollment of students in the first courses, the administrator of a sponsoring agency considering establishment of a nursing education program must submit a letter to the Board indicating intent to develop a program. The letter of intent shall include the following information:

(a) A documentation of need for graduates of the program (Survey of Need) which cannot be met by existing nursing education programs within a thirty (30) mile radius or by satellites of those programs within a sixty (60) mile radius of the proposed establishment site;

(b) Evidence that adequate clinical facilities are available for student experience;

1. Each potential affiliating clinical facility should submit a letter:

(i) expressing willingness to contract with the proposed new nursing education program for student experience; and

(ii) describing the specifics about nursing programs already utilizing the facility;

(iii) describing how it shall assure that the new program's clinical experience needs shall be met without overloading the agency;

2. At least ~~eight (8)~~ three (3) licensed hospital or nursing home beds must be available for every one (1) student practical nurse at any given time;

3. At least ~~50%~~ 40% of the total required clinical experience hours must be obtained in the hospital setting;

(c) The availability of classroom and campus laboratory facilities and a learning resource library for the program;

(d) Evidence of financial resources for the planning, implementation and continuation of the program; and

(e) The estimated number of qualified applicants for initial and future classes as based upon a survey of the local community's interest in practical nursing education.

(3) At least ten (10) months prior to offering the first courses, the administrator of the sponsoring agency shall submit to the Board the following information:

(a) The official name of the proposed new nursing education program;

(b) The anticipated starting date of the program, the number of classes to be admitted per calendar year and the time(s) of admission of those classes, and the anticipated maximum number of students to be admitted per class;

(c) The official mailing address and telephone number for the program, and if different, the actual street location address for the classroom/laboratory/library building;

- (d) A completed Clinical Facilities Information Sheet provided by the board which includes all requested specifics about the affiliating agencies;
 - (e) The Clinical Facility Self-Study Report from each proposed clinical facility affiliation which demonstrates compliance with board rules and which includes a current contract agreement between the sponsoring agency and the clinical facility and all other requested documentation;
 - (f) City/County maps which have been clearly marked to identify the actual locations of the nursing education program and each of its affiliating clinical facilities.
- (4) After the Board has received and reviewed the letter of intent and the materials pursuant to Rule 400-3-.02(2) and (3), the Board shall conduct site visits to the proposed new nursing education program and all of its affiliating clinical facilities.
- (a) If compliance with Board Laws and Rules has been demonstrated, the Board will grant Developmental Approval.
 - (b) If Developmental Approval is not granted, a written explanation shall be provided to the proposed new nursing education program.
- (5) At least eight (8) months prior to the enrollment of students in the first courses, the following materials shall be submitted as Report I:
- (a) The administrative structure of the sponsoring agency which demonstrates the lines of authority for the new nursing education program;
 - (b) A Nursing Faculty Qualification Record and a copy of the current Georgia Registered Nurse license which demonstrates compliance with Rule 400-3-.08, of the Practical Nursing Education Program Director or consultant who has been employed to continue the initial development of the new nursing education program;
 - (c) The program purpose, philosophy, and student terminal objectives pursuant to Rule 400-3-.06;
 - (d) A Master Curriculum Plan as described in Rule 400-3-.02(1)(f) and consistent with Rule 400-3-.07;
 - (e) The syllabi for all courses in the curriculum as described in Rule 400-3-.02(1)(j);
 - (f) A school/program catalog; AND
 - (g) All program and student policies shall include those which are specific to the nursing education program pursuant to Rule 400-3-.10(2). The policies should include: admission, academic standards, curriculum, student grievance, Occupational Safety and Health Administration Guidelines, and student health.
- (6) At least four (4) months prior to the enrollment of students in the first courses, the following materials pertaining to each course to be offered during the first half of the curriculum shall be submitted as Report II:
- (a) The specific theoretical and clinical objectives/competencies for each unit of study within each course;
 - (b) The course/teacher/clinical experience evaluation form(s) and procedure(s) which shall be used quarterly to critique all program learning activities and student/teacher interactions; AND
 - (c) The student learning and progress evaluation procedures and forms which shall be used in an ongoing critique of each student's theoretical and clinical progress toward each course's objectives and competencies.
- (7) At least one (1) month prior to enrollment of students in the first courses, the completed Nursing Faculty Summary Sheet, the Nursing Faculty Qualification Records, and copies of current Georgia Registered Nurse licenses of the Practical Nursing Department Director and all nursing faculty shall be submitted as Report III. All nursing

faculty must demonstrate the qualifications as set forth in Rule 400-3-.08.

(8) Provisional Approval shall be considered after the Board reviews Reports I, II, and III and must be granted prior to the admission of students.

(a) If Provisional Approval is not granted, an explanation shall be included in the report to the school.

(b) A nursing education program with Provisional Approval is required to comply with all Board Laws and Rules pertaining to nursing education programs.

(c) A new program granted Provisional Approval will remain on Provisional Approval for two years or until its first graduating class has taken its initial licensing examination, whichever is earlier, and the scores report is reviewed by the Board.

(9) No later than one (1) month after the enrollment of students in the first courses, the following materials shall be submitted as Report IV:

(a) The actual start date of the program;

(b) The actual number of students enrolled;

(c) The projected completion/graduation date of the first graduates of the program; and

(d) The graduate evaluation forms and procedures which shall be used within the first year after graduation of each class to obtain job entry-level performance critiques from all graduates and their employers.

(10) The program shall be eligible for Full Approval if it has demonstrated compliance with all Board Laws and Rules, and if 80% of its first graduating class have passed their initial licensing examination after graduation during the period of Provisional Approval. Site visits to the program shall be conducted at least annually by the Board representatives until Full Approval is granted.

(11) The program shall be placed on Conditional Approval if it has demonstrated noncompliance with any of the Board Laws or Rules, OR if less than 80% of its first graduating class have passed their initial licensing examination during the period of Provisional Approval.

(a) Conditional Approval status shall continue for one additional year. During this year, the program must demonstrate compliance with all Board Laws and Rules AND the program must achieve a 80% pass rate of its graduates who have taken their initial licensing examination in order to receive Full Approval.

(b) Failure to achieve Full Approval within this three year period shall result in Withdrawn Approval pursuant to Rules 400-3-.03 and 400-3-.04.

(12) Graduates of a nursing education program which does not have Board approval shall be denied admission to the licensure examination.

(13) No later than six (6) months after the enrollment of students in the first courses, the following materials pertaining to each course to be offered during the remainder of the program's curriculum shall be submitted as Report V.

(a) The specific theoretical and clinical objectives/competencies for each unit of study within each course.

(b) Written plans for the utilization of affiliating clinical facilities as described in board rules.

(c) The student learning and progress evaluation procedures and forms which shall be used in an ongoing critique of each student's academic and clinical progress toward each course's objectives and competencies, if different from materials submitted in Report II.

(14) It is the responsibility of the sponsoring agency to submit ~~eight (8)~~ two (2) copies of each required report to the board at least three (3) weeks prior to the scheduled board meeting at which the report is to be considered.

400-3-.10 School Requirements: Rules and Policies. Amended.

(1) School Rules:

(a) Theoretical class size shall be determined by the institution based on the number of faculty members, adequacy of clinical resources, availability of learning resources, and documented survey of need within a sixty mile radius.

(b) The students' total scheduled instructional time for classroom and clinical experiences shall NOT exceed forty (40) hours per week.

(c) The nursing education program shall comply with the Occupational Safety and Health Administration's current guidelines for occupational exposure to blood-borne and air-borne pathogens and have a fire safety policy. The policies shall be reviewed annually and revised as necessary in writing.

(d) There shall be quarterly course evaluations by students and annual evaluations by graduates and graduates' employers as provided in Rule 400-3-.13.

(e) The practical nursing education program shall maintain an annualized licensing examination passing percentage rate of eighty percent (80%) or higher for the program's graduates on the initial examination as provided in Rules 400-3-.03 and 400-3-.04.

(f) A student shall be considered to have successfully completed a program when the student has satisfied all performance and learning objectives of an approved program and has met the institution's established graduation requirements.

(g) All nursing faculty and preceptors, if utilized, shall meet requirements as provided in Rules 400-3-.08 and 400-3-.09 before assuming duties in the program.

(h) The nursing program shall maintain nursing faculty meeting minutes of all decisions pertinent to the operation and revision of the program.

(i) Student clinical experience shall include all required health care areas provided in Rule 400-3-.07:

1. Clinical experiences should be correlated with theoretical content, whenever possible AND;
2. The clinical experience instructor-student ratio shall NOT exceed a one (1) to ~~twelve (12)~~ ten (10) ratio AND;
3. At least three (3) licensed hospital or nursing home beds shall be available for every one (1) student practical nurse at any given time in a clinical affiliate, AND;
4. At least 40% of the total board-required clinical experience hours must be obtained in the hospital setting.

(j) A nursing program faculty member or a Board-approved preceptor shall be:

1. Present in the clinical facility to which students are assigned for direct patient care and be present either on the unit or available to students by pager, AND;
2. Responsible for the clinical instruction and supervision of the program's student practical nurses.

(k) The program's instructors shall provide appropriate clinical focus objectives to each clinical affiliate prior to student assignment provided in Rule 400-3-.02 (1)(c).

(l) The Clinical Rotation Plan for student learning activities shall be provided to each affiliating clinical facility prior to student assignment provided in Rule 400-3-.02(1)(d).

(2) School Policies:

(a) Policies related to the practical nursing education program shall be published in a student handbook or catalogue, AND;

(b) The policies set forth below shall be included:

1. Academic Standards. The academic standards policy shall include a clearly defined grading system for the program and a policy for course progression and graduation.
2. Curriculum. The curriculum policy shall reflect the board's hourly and theoretical content and clinical experience area requirements provided in Rule 400-3-.07(5) as the minimum curriculum.
3. Student Grievance. The student grievance policy shall define the authority chain which is to be followed for **STUDENT** grievances at the institution.
4. Occupational Safety and Health Administration's Guidelines. The policy shall describe a plan for educating students on the Federal Occupational Safety and Health Administration's guidelines (O.S.H.A.) and the Centers for Disease Control's (C.D.C.) guidelines and any other regulations applicable to the safety of students and patients in the practice of nursing.
5. Student Health. The student health policy shall include the health examinations and immunizations (as currently recommended by the Centers for Disease Control) required to ensure the health, safety, and welfare of students and patients prior to the beginning of student clinical experiences.

SYNOPSIS OF PROPOSED REVISIONS TO THE
GEORGIA BOARD OF EXAMINERS OF LICENSED PRACTICAL NURSES
RULES

Rule 400-3-.14 Program Changes Requiring Board Approval and Board Notification and Procedures for Approval. Amended.

Rule 400-3-.14 is proposed to be amended by changing the number of required copies of report materials from eight (8) to two (2).

Purpose: To update rule 400-3-.14 to reflect the same changes to rule 400-3-.02

Main Features: To reduce the current required copies of reports from eight (8) to two (2).

DIFFERENCES BETWEEN THE EXISTING RULE AND THE
PROPOSED CHANGES TO THE
GEORGIA BOARD OF EXAMINERS OF LICENSED PRACTICAL NURSES
RULE 400-3-.14

[NOTE: Underlined text is proposed to be added; lined through text is proposed to be deleted]

400-3-.14 Program Changes Requiring Board Approval and Board Notification and Procedures for Approval. Amended.

(1) The following proposed changes in the practical nursing education program require board approval prior to their implementation. The program shall submit ~~eight (8)~~ two (2) copies of the materials requested to the board at least three weeks prior to the board meeting at which the request will be considered.

(a) An established program in good standing that is moving to another facility will maintain its prior Board approval status. Such program shall demonstrate to the Board prior to the move that existing standards will be maintained.

(b) Any existing program that has been on full approval for two (2) consecutive years may be eligible to apply to establish a satellite.

1. A survey of need must be submitted.

2. Other changes requiring Board approval shall be submitted prior to the establishment of the satellite pursuant to Rule 400-3-.14.

3. The satellite will be issued a separate program code number.

4. Programs operating a satellite under the same program code number as the original program prior to the adoption of this rule will be allowed to continue to use the one code number for both.

(c) The addition of new clinical facility (ies) for actual student patient care experience. The following materials must be submitted:

1. A revised Clinical Facilities Information Sheet as provided in Rule 400-3-.13.

2. A Clinical Facility Self Study Report as provided in Rule 400-3-.13.

3. A copy of the current signed contract between the proposed clinical affiliate(s) and the program's sponsoring agency.

4. The rationale for the addition which explains how the students' educational experience will be affected.

5. The Clinical Learning Focus Objectives for the experience for the proposed facility(ies) as provided in Rule 400-3-.02(1)(c).

6. The Clinical Rotation Plan which demonstrates student assignment at the proposed facility(ies) as provided in Rule 400-3-.02(1)(d).

7. A description of student supervision at the facility. If new nursing faculty or preceptors are to be utilized, submit an updated Nursing Faculty Summary Sheet and Nursing Faculty Qualification Record(s), Preceptor Summary Sheet and Preceptor Qualification Record as provided in Rule 400-3-.13.

(d) Plans to discontinue a practical nursing education program require documentation as provided in Rule 400-3-.15.

(2) The following changes in the practical nursing education program may be implemented by the program, but require board notification within thirty (30) days of the implementation. The notification shall be submitted on the forms requested.

(a) Practical Nursing Education Program name change requires the former name, new name, and effective date.

(b) The employment of nursing faculty and/or the appointment of preceptors require an updated Nursing Faculty Summary Sheet and Nursing Faculty Qualification Record(s), Preceptor Qualification Record and Preceptor Summary Sheet as provided in Rule 400-3-.13.

Authority: O.C.G.A. § 43-26-35

The Board voted that the formulation and adoption of these rules does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rules cannot be reduced by a less expensive alternative that fully accomplishes the objectives of the applicable laws as provided by the Attorney General's office.

The Board also voted that it is not legal or feasible to meet the objectives of the applicable laws to adopt or implement differing actions for businesses as listed in O.C.G.A. §50-13-4(3)(A)(B)(C)(D). The formulation and adoption of these rules will impact every licensee in the same manner and each licensee is independently licensed, owned and operated in the field of Practical Nursing.

After discussion and consideration of the proposed rule changes, Ms. Mitchell moved and Ms. Shaw seconded and the Board voted to post the proposed rule changes for rule 400-3-.02, 400-3-.10 and 400-3-.14 in accordance with 50-13-4(a)(1).

Correspondence:

- Melvie Spevey: Is it prohibited for the Health Care Clinician to practice his or her skilled profession if we are chemically, physically or mentally impaired and please defined what the boards view of chemically, physically or mentally impaired would be in the eyes of the Board? **Board response**: Request that the Licensee refer to the laws and rules that LPN's are governed by.
- Hospice of Savannah: Agency is looking at LPN and the involvement with supervising RN in the nursing process. When a RN completes the initial assessment, can a LPN perform subsequent assessments independently? **Board response**: Referred them to the Georgia law: OCGA § 43-26 on "Scope of Practice".
- Angela Walker: Requesting the Board help on information on how to handle an arrest warrant? **Board response**: Requested court documents when an arrest warrant has been issued.
- Louise E Knight: Correspondence regarding her son, a LPN. **Board response**: While sympathetic, the Board can not discuss an applicant/licensee's file information with a third party without express permission of the licensee or by board vote.

Update on NCSBN Annual Conference Meeting: attended by three Board Members, Grace Taylor, Barbara Mitchell, and Jacqueline Dumas.

Ms. Mitchell gave a brief summary on the meeting

Update on QMA Program – Barbara Mitchell:

- Janet Jackson completed a draft on rules.
- 20 students enrolled in a pilot project at Atlanta Tech.
- Orientation with facilities that will participate in clinical sites for QMA'S
- Ms. Mitchell has a meeting on September 20 on setting up a curriculum for the QMA project.

C.Y.2004=65.6%. Site Visit due- 2005

Board's Decisions: Consider conducting both Site Visits prior to the next meeting of the Board.

RULES AND/OR POLICIES (QUESTIONS and COMMENTS):

Do we want schools to present contract information on clinical facilities other than hospitals and
nursing homes?

Address utilization of smaller sites other than hospitals and Nursing Homes.

Look at Site Visit Rules for possible updates.

Consider Rule change for out of state preceptors. Rule 400-3-.09 requires a preceptor to have a current **Georgia** license.

Board's Decisions: Decisions tabled. Board will discuss and consider during a later meeting.

Mid-year courtesy NCLEX-PN reports were mailed to all Practical Nursing Program Directors July 2006

GEORGIA BOARD OF EXAMINERS OF LICENSED PRACTICAL NURSES

A committee meeting of the **Qualified Medication Aide Sub-Committee** of the Georgia Board of Examiners of Licensed Practical Nurses was held following the LPN Board meeting September 14, 2006.

Sub-Committee Board Members present:

Barbara Mitchell, RN, NHA, Cognizant
Grace Taylor, LPN
Julia Nelle Shaw, RN

OTHERS PRESENT:

Brig Zimmerman, Executive Director
Janet Jackson, Assistant Attorney General
Janet Starr, DHR QMA Program Director

The appointed sub-committee is charged by the Board to review Senate Bill 480, Section 1 and make recommendations to the Board with regard to the promulgation of the rules, application(s) and any other pertinent matters with regard to the new legislation creating certification of Qualified Medication Aides to be governed with regard to licensure by the Georgia Board of Examiners of Licensed Practical Nurses.

The sub-committee discussed the draft copy of the proposed rules, Chapter 400-4 Qualified Medication Aides as presented by Assistant Attorney General Janet Jackson. Once suggested revisions and corrections discussed are made, Ms. Jackson will again disseminate to the sub-committee members for further inspection. Once finalized, the sub-committee will present its recommendations to the full Board.

The next meeting of the sub-committee is to be determined.

There being no additional business to discuss, the sub-committee meeting ended at 06:15pm.
