All Board meetings are currently being conducted by teleconference. State agencies have been tasked with reducing their budgets, therefore boards are being asked to continue conducting board meetings by teleconference. Once the final budget has been set for our office, we may have more information regarding board meetings.

**Discussion of Reciprocity with the State of Alabama Board of Heating, Air Conditioning, & Refrigeration**

Jeffrey Becraft, Executive Director of the State of Alabama Board of Heating, Air Conditioning, & Refrigeration Contractors, spoke with the Board regarding the possibility of a reciprocity agreement. The education, experience, and exam requirements for licensure in each state was discussed. Becraft will provide additional information on Alabama requirements for Board review.

**Executive Directors Report:**

Deborah Beard, Executive Director provided the Division an update on office operations, due to COVID-19. In response to Governor Kemp's recommendation that state employees work remotely, the Professional Licensing Boards Division has implemented telework options for its staff and, effective March 16, the Professional Licensing Boards Division closed to visitors. Visitors are able to drop off applications and mail, but not able to meet with staff. Constituents are encouraged to utilize web resources for online transactions and to answer frequently asked questions. Constituents may continue to contact the call center at 844-753-7825.

Beard also provided an update on staff operations. The department currently has two vacancies and is unable to fill them due to a state hiring freeze. Therefore, two temporary part-time employees are assisting the department to keep operations moving forward.

The House Bill 914 was passed and signed into law. The Board will need to review and may need to make changes to Board rules to stay in compliance with the new law.
