

Georgia State Board of Professional Engineers and Land Surveyors
Board Meeting
January 26, 2021 (Open Session Minutes)

The State Board of Registration for Professional Engineers and Land Surveyors met on **Tuesday, January 26, 2021** via zoom

Present Board Members:

William 'Bill' Womack, PE
Darien Sykes, PE, Vice Chairman
Russell Pennington, PE, Chairman
Taylor Wright, PE
Mark E. Chastain, LS
Julie Busbee, Consumer Member
Neil Wyche, PE
Dan Davis, PE
Elmo A. Richardson, Jr., PE/LS

Absent Board Members:

None

Staff present:

Ashley Foust, Licensure Supervisor
Logan Wilson, Board Support Specialist
Jasmine Dorn, Licensure Analyst
Darren Mickler, Executive Director
Ava Walker, Licensure Analyst

Attorney General Representative present:

Mary Brannen, Assistant Attorney General

Guests:

Mark Lincoln, SAMSOG
Phil J.
Ricky Dozier

Call to Order

At 9:32 a.m., Chairman Russ Pennington established that a quorum was present and called the meeting to order.

Approval of Open Session Minutes

Chairman Russ Pennington presented a draft of the December 8, 2020 Open Session minutes and asked for any edits. Elmo Richardson moved to approve the minutes with no edits, Taylor Wright seconded. The motion carried unanimously.

Georgia State Board of Professional Engineers and Land Surveyors
Board Meeting
January 26, 2021 (Open Session Minutes)

New Business

Darren Mickler briefed the Board on the new Structural Engineer license type.

Elmo Richardson made a motion for all 2021 License Renewals and Structural Engineer Affidavits be granted a grace period until February 28, 2021. Dan Davis seconded, and the motion carried unanimously.

Mark Chastain made a motion for the Board to vote to post the revision rule 180-12-.02 with no economic impact. Elmo Richardson seconded, and the motion carried unanimously.

Rule 180-12-.02, "Sealing of Documents."

- (1) The term, "documents," as used herein shall mean engineering and/or land surveying work issued in the form of plans, drawings, maps, surveys, reports, specifications, design information, and calculations, including such work issued in digital form.
- (2) The term "issued" as used herein shall mean documents in the final form which bear the seal, signature and date of the registrant and the entity's Certificate of Authorization Name, Authorization Number and Expiration date of the COA (as required by GA Law 43-15-23. Practice of professional engineering by or through firm, corporation, or other entity for COA requirements.)
- (3) The registrant shall seal, sign and date and provide COA name, Authorization Number and expiration date of the COA all original final documents which are issued to a client or any public agency. The sealing of documents by the registrant shall certify that the work was performed by the registrant or under the direct supervisory control of the registrant on a daily basis. For engineering documents, the date of signature shall be placed immediately under the seal and signature.
- (4) No registrant shall issue or allow to be issued draft, incomplete, preliminary, in-progress, or for-review document or any type that contains the seal of the registrant unless such document does not contain a signature. Further, any such draft shall display the date of issue and a notation under or adjacent to the seal in bold lettering, such as "PRELIMINARY", "DRAFT", "NOT FOR CONSTRUCTION" or "FOR REVIEW ONLY," which clearly identifies the purpose for which the document is issued. Any document containing a seal, signature, date and COA information as required in (2) above shall be considered to be issued.
- (5) Seals, signatures, dates, COA Information and/or other notations required by this Rule shall be placed on original documents such that the seal, signature, date, COA Information and/or notations, will be reproduced when copies or scans are made. A "facsimile signature" that is to be placed on a property survey map or plat in accordance with OCGA 15-6-67 may be a scanned image of an actual signature or a computer generated signature, and must be kept in the strict control of the land surveyor.

Georgia State Board of Professional Engineers and Land Surveyors
Board Meeting
January 26, 2021 (Open Session Minutes)

- (6) Each drawing sheet, whether bound or unbound, shall be sealed, signed and dated by the registrant(s) responsible for the work on that sheet and contain the entity's COA information. If necessary due to number of sheets, in lieu of providing a seal, signature, date, and COA information on each drawing sheet, a summary sheet may be included in the form of a clearly drafted table or other format that identifies each registrants seal, signature, date, and COA information and which includes a narrative that clearly describes the element of work for which each registrant is responsible and indicates the most current version of each sheet. This summary sheet shall be included within the final documents. If a document is sealed, signed and dated and contains the entity's COA information by more than one registrant, the portion of the work for which each registrant is responsible shall be clearly noted.
- (7) Each document that is sealed, signed and dated by a registrant shall contain the name, address, and contact information of the firm or sole practitioner certifying the work. Each document shall have the entity's COA information included.
- (8) Documents as defined in Paragraph (1) that are transmitted electronically beyond the direct control of the licensee shall have the computer-generated seal removed from the original file, unless signed with an electronic signature as defined in Paragraph (9) of this Rule. After removal of the seal the electronic media shall have the following inserted in lieu of the signature and date: "This document originally issued and sealed by (name of sealer), (license number), on (Date of sealing) and the entity's COA Information. This medium shall not be considered a certified document." Hardcopy documents containing the original seal, signature, date and entity's COA information of the licensee may be duplicated by photocopy or electronic scanning processes and distributed either in hardcopy or electronic medium. The scanned digital files of certified documents are not subject to the requirements of this Paragraph. The electronic transmission beyond the direct control of the licensee of CAD, vector or other files subject to easy editing are subject to the requirements of this paragraph. Easy editing is based on the file consisting of separate elements that can be individually modified or deleted.
- (9) Documents to be electronically transmitted beyond the direct control of the licensee that are signed using an electronic signature shall contain the authentication procedure in a secure mode and a list of the hardware, software and parameters used to prepare the document(s). Secure mode means that the authentication procedure has protective measures to prevent alteration or overriding of the authentication procedure. This paragraph does not apply to property survey maps and plats governed by OCGA 15-6-67 which may be submitted in an electronic file format that is regulated by the Georgia Superior Court Clerks Cooperative Authority. The term "electronic signature" shall be an electronic authentication process that is attached to or logically associated with an electronic document. The electronic signature shall be:
- (a) Unique to the licensee using it;
 - (b) Capable of verification;
 - (c) Under the sole control of the licensee; and
 - (d) Linked to a document in such a manner that the electronic signature is invalidated if any data in the document is changed.

Georgia State Board of Professional Engineers and Land Surveyors
Board Meeting
January 26, 2021 (Open Session Minutes)

Elmo Richardson made a motion for the Board to vote to post rule 180-11-.07. Bill Womack seconded, and the motion carried unanimously.

Rule 180-11-.07, "Exemptions."

A registrant is exempt from the professional development education requirements under any of the following circumstances:

- (1) Registrants licensed by way of examination or comity, shall be exempt for their first renewal period.
- (2) A professional engineer serving on temporary duty in the armed forces of the United States for a period of time exceeding one hundred twenty (120) consecutive days shall be exempt from obtaining 15 of the professional development hours required during that biennial period in which the majority of the days of duty fall. Likewise, a land surveyor shall be exempt from obtaining 7.5 professional development hours during that biennial period.
- (3) Registrants experiencing physical disability, illness, or other extenuating circumstances as approved by the Board may be exempt. Supporting documentation must be furnished to the Board.
- (4) Registrants over the age of 65 who have applied for an inactive license, who list their occupation as "Retired" or "Inactive" on the Board-approved renewal form, and who further certify that they are no longer receiving any remuneration from providing professional engineering or land surveying services shall be exempt from professional development hours. In the event such a person elects to return to active practice of professional engineering or land surveying, professional development hours must be earned as described in "180-11-.08 Reinstatement" before returning to active practice.
- (5) Individuals who qualify for exemption by way of paragraph (4) above may continue to use the words Professional Engineer (or P.E.), or Land Surveyor (or L.S.) as appropriate, after their names as long as they continue to fall under the restrictions specified and are not actively practicing engineering or land surveying.
- (6) Registrants over the age of 65 who are engaged in the active practice of their profession and who have held a valid Georgia license for the previous 25 consecutive years shall be exempt from professional development requirements.

Georgia State Board of Professional Engineers and Land Surveyors
Board Meeting
January 26, 2021 (Open Session Minutes)

Taylor Wright asked Darren Mickler for an update on applicants receiving a \$250.00 fine for renewing license in January.

Taylor Wright would like to invite La Trenda Tyler Jones to our next Board meeting in March 2021. Darren Mickler is to send her an invitation.

The Board briefly discussed the Division Directors authority over the Board.

Executive Session

At 10:12 a.m., Elmo Richardson moved to enter into Executive Session, in accordance with O.C.G.A. 43-1-2(k) and 43-1-19(h) to deliberate on applications and investigative matters and to receive an investigative report. Bill Womack seconded. Voting in favor of the motion were those members present: Chairman Russ Pennington, Vice Chairman Darien Sykes, Dan Davis, Taylor Wright, Neil Wyche, Julie Busbee and Mark Chastain.

The Executive Session of the Georgia State Board of Registration for Professional Engineers and Land Surveyors meeting was closed at 13:36 a.m. and Chairman Russ Pennington declared the Open Session of the Georgia State Board of Registration for Professional Engineers and Land Surveyors to be “open” pursuant to the Open Meetings Act, O.C.G.A. §§ 50-14-1 et seq. The following Board Members were present: Chairman Russ Pennington, Vice Chairman Darien Sykes, Dan Davis, Bill Womack, Taylor Wright, Neil Wyche, Mark Chastain and Julie Busbee. No votes were taken in Executive Session.

Approval of Executive Session Minutes

Chairman Russ Pennington presented a draft of the December 8, 2020 Executive Session meeting minutes and asked for any additions or deletions. Elmo Richardson moved to approve the minutes as presented. Bill Womack seconded. The motion carried unanimously.

Licenses Issued Since Last Meeting:

The Board reviewed a list of applicants that have been reviewed and approved. Bill Womack made a motion to ratify licenses issued from December 8, 2020 – January 26, 2021. Taylor Wright seconded, and the motion carried unanimously. Vice Chairman Darien Sykes abstained from the vote.

Georgia State Board of Professional Engineers and Land Surveyors
Board Meeting
January 26, 2021 (Open Session Minutes)

228 SE000228 David Harding Lovvorn

Applications/Correspondence:

PE037454 – Mark Chastain made a motion for the Board to approve the applicant with \$1,000.00 penalty. Elmo Richardson seconded, and the motion carried unanimously.

PE032058 – Mark Chastain made a motion for the Board to approve the applicant with \$1,000.00 penalty. Elmo Richardson seconded, and the motion carried unanimously.

PE039066 – Mark Chastain made a motion for the Board to approve the applicant with \$1,000.00 penalty. Elmo Richardson seconded, and the motion carried unanimously.

Complaints:

PELS190022 – Mark Chastain made a motion to accept the fine and consent order, and to clarify to the respondent that for the required 6 PDUs in Georgia Minimum Technical Standards will be required to have been taken again prior to 2022 renewal. Elmo Richardson seconded, and the motion carried unanimously.

PELS070005 – Mark Chastain made a motion for the Board to close the complaint and place a hold on the license incase the licensee tries to reinstate. Elmo Richardson seconded, and the motion carried unanimously.

AG Report:

Ms. Mary Brannen briefed the Board on PELS170020 – R.C., and the Boards authority over the staff.

ED Report:

Darren Mickler briefed the Board on staff returning to the office February 15, 2021 one person, one day a week.

Other Business

The Board congratulated Vice Chairman Darien Sykes on being the first ever licensed Structural Engineer in the State of Georgia and all his hard work.

Vice Chairman Darien Sykes informed the Board the Newsletter would be going out in the next week.

The next full Board meeting will be held on March 9, 2021 at 9:30 a.m.

**Georgia State Board of Professional Engineers and Land Surveyors
Board Meeting
January 26, 2021 (Open Session Minutes)**

The next I.C. meeting will be held on February 23, 2021 at 9:30 a.m.

With no further business to discuss, the meeting adjourned at 10:44 a.m.

Minutes recorded by: Logan M. Wilson, Board Support Specialist

Minutes reviewed and edited by: Darren Mickler, Executive Director

Russ Pennington, Board Chairman

Darren Mickler, Executive Director
