- Returning to the 3.0 GPA for admissions.  
3.0 GPA will be used for the Spring 2023 cohort.  
New calculations for GPA will be implemented with the Fall 2022 cohorts to reduce potential GPA inflation and continued moving forward:
  - When a class is taken multiple times, the lowest grade (one) will be dropped and the remaining grades (if multiple) for the course will be averaged.
  - The old calculation was to take the highest (one) grade attempt for the class
    - Example (new method), a student took 3 attempts in MATH1012 and earned a D, C, & B; the D is dropped and the C & B are averaged (2.5 GPA)
    - Example (old method), a student took 3 attempts in MATH1012 and earned a D, C, & B; the D & C are dropped and only the B is taken (3.0 GPA)
- Returning to Full Partnership with ATI;  
We met with ATI representatives (04/19/2022) with plans to return to full partnership. We are working out the details.  
Returning to TEAS exam for students coming in to the program;  
This is only a plan at the moment:
  1. The new cohort (Fall 2022) will take a TEAS test the first week of classes
  2. The resulting scores will be used to establish the TEAS entrance score beginning with the next STC PN Fall cohort (I anticipate the spring cohort would be too soon to implement) while also taking into consideration the scores established at other colleges (Southeastern 55%, Ogeechee 59%, Piedmont 64.3%, West GA 65%)
  3. PN Cohorts beginning in Fall 2023 will be required to meet the minimum acceptable TEAS score and the TEAS score will be used to create a composite score (multiply the TEAS score with the calculated GPA to arrive at a composite score) Students will be selected for PN program admissions based on this composite score.
- Returning to 75% passing grade for each nursing course.  
Will be implemented starting with the Fall 2022 cohort(s). Will be posted in the PN Student handbook and syllabi for Fall 2022.

How are the clinical placements going now in Liberty? Clinical placement of students in Liberty County is limited. Students in a Liberty campus cohort will continue be required to travel to Savannah for clinical experience.

1. I spoke with Liberty Regional Administration, and they provided some information about clinical at their hospital.
  - a. Students can go to the ED and Med Surg unit.
  - b. They can have 2 – 3 students at a time
  - c. Students must provide their own PPE
  - d. They are checking to see if PN students could go to the OB unit
  - e. They are eager for PN students at their nursing home – Coastal Manor, but that only satisfies the clinical need for the fundamentals clinic (first semester)
  - f. COVID vaccine mandatory – no exceptions/ no waivers
  - g. The hospital's situation is very "fluid" - any of this information can change in an instant.

For Fall 2022, we will accept 12 students at the Liberty campus. Six students will go to Liberty Regional for clinical, and the other six students will come to Savannah for their clinical.

Have you had any faculty changes since I was there? The 2 Liberty instructors present at the time of your visit resigned: Barbara Bilbrey last date: 03/02/2022; Elizabeth McNulty last date: 09/13/2021. Job postings are active for these vacancies and interviewing will take place as candidate applications are reviewed.

We interviewed and hired Phoebe Stevens for the Liberty Campus. She will start the end of June but will not have any PN students until August 22, 2022. With only one instructor at Liberty, the cohort size was reduced to 12. We will utilize distance education technology to team teach lecture material. The Savannah campus has one FTE vacancy and the authorization to advertise is pending. We are also hiring three adjuncts for clinical.
