EDUCATION – 03A – Georgia Gwinnett College - SUB CHANGE - Resume

Georgia Gwinnett College (EDUCATION 03A)

EDUCATION – 04 – Georgia Highlands College – SUB CHANGE – Change in Name

Georgia Highlands College (EDUCATION 04)

On May 22, 2023, Dr. Paula Stover, DNP, RN, MSN, Director of Nursing, notified the Board of the change of name of the school of nursing at Georgia Highlands College. Georgia Highlands College (GHC) and Atrium Health Floyd (AHF) entered into a fund agreement that includes substantial financial commitments by AHF totaling approximately seven million dollars (\$7,000,000) over a five-year period to benefit GHC and its nursing students enrolled in the GHC Department of Nursing. This fund was established through the GHC Foundation and under the laws of the State of Georgia and was approved by the University System of Georgia on April 18, 2023. The agreement was signed on May 12, 2023. The partnership includes naming of a school and department, while the College retains its name. No other changes were made within the parent organization. These two changes were made: • Atrium Health Floyd School of Health Sciences • Atrium Health Floyd Department of Nursing. Rationale for the change: • Student access to education: Cost savings for students will include but not be limited to: Learning resources, uniforms, and scholarships. • Guaranteed clinical placement: Students will benefit from clinical placement within Atrium Health Floyd facilities. • Nursing faculty shortage: Increase funding to support retention of nursing faculty. This change merits notification to GBON; however, it does not require prior approval as described in the Substantive Change Manual or Rule 410-8-.01. • The College and Department remain an integral part of the GHC accreditation by SACSCOC (Rule 410-8-.03.1) • Of note, this fund substantially increases funding for faculty (Rule 410-8-.03.6).

To further clarify this change and to demonstrate compliance with the 2023 ACEN Standards: • Standard 1 – Name changes will be made to all documents, organizational charts, branding, and signage with the name Atrium Health Floyd Department of Nursing and Atrium Health Floyd School of Health Sciences. The College, School, and Department organizational structures remain the same. A new organizational chart will be sent with the Annual GBON report. • Standard 2 – No change in compliance; however, additional faculty will be hired at market rates. • Standard 3 – No change in compliance; however, will benefit from lower costs and clinical placement in an outstanding teaching hospital • Standard 4 – No change in compliance; however, stronger clinical placement partnership • Standard 5 – No change in compliance Summary In summary, the GHC Department of Nursing is now known as the Atrium Health Floyd Department of Nursing. This name change is the result of funding to substantially support nursing students and faculty. This change will address the critical nursing faculty shortage by supporting access to nursing education and retention of faculty.

Students will realize significant cost savings. Students will also benefit from guaranteed clinical placement and possible employment at Atrium Health Floyd. The University System of Georgia has approved this name change.

- Faculty Expansion/Retention: o Add 1 faculty position to the GHC nursing program. o Support salary increases for existing faculty in the GHC nursing program during the term of the Agreement (as funding permits) to promote and support hiring and retention.
- Student Enrollment: Increase total2 capacity in GHC associate degree Nursing program to 300 students by Academic Year (AY) 2027-2028 incrementally over the next 5 years (Starting in AY 23-24): o Measurement of enrollment will be based on GHC making an offer of enrollment to a potential student who meets the minimum admission requirements. Two academic year total includes all associate degree Nursing (“AND”) (Traditional and Bridge) first year nursing students plus second year nursing students. o Measurement of admission/acceptance numbers will be included in semi-annual and annual reports referenced herein as appropriate. o AH Floyd employees and “Rise to Success” participants will be given admission preference to the GHC nursing program to the extent permitted by law and assuming minimum admission criteria is met. Applicants will meet the minimum admission score determined by Georgia Highlands as needed for acceptance into the nursing program. ♣ For clarification, “Rise to Success” funding is independent of the funding included in this agreement. **According to Board Rule 410-8-.11(2) all programs must submit a report of all substantive changes. See full report in board packet.**

I recommend acceptance of this substantive change/notifications.

Correspondence

EDUCATION – Correspondence – 01 - Andrew College – NLN CNEA Letter

Andrew College (Correspondence 01)

On June 26, 2023, Ms. Jessica Michelle Collins, Assistant Director of Nursing notified the Board of a change in the accreditation status for the Aderhold Division of Nursing associate degree in nursing Program at Andrew College. On June 21, 2023, Andrew College received notification from NLN/CNEA of their accreditation status being changed to probation because of the 3-year average of NCLEX licensure pass rates for 2020, 2021, and 2022. The change is in effect for one year (June 15, 2023-June 15, 2024). **See email in the board packet on the Bridge.**

EDUCATION – Correspondence – 02 – Georgia Northwestern Technical College - Update

Georgia Northwestern Technical College (Correspondence 02)

On May 23, 2023, Ms. Michelle Spears-Sevy notified the Georgia Board of Nursing that secondary to personnel changes in their ASN program, there has been a change to the mentorship plan submitted to the Board for Kimberly Jones for the Fall 2023 semester. The instructor who was scheduled to teach Pharmacology/Dosage Calculation has accepted another position at our institution, which would either leave Kim as the solo instructor for the course or as co-instructor with someone who is a novice instructor in that course. Neither of those options would best serve either Kim or our students, so the faculty feel it will be best to pair her with a veteran instructor in Fundamentals, instead, to meet the 50% teaching requirement of the mentorship agreement. **See email in the board packet on the Bridge.**

EDUCATION – Correspondence – 03 – NCSBN - IV Hydration Clinics Panel Discussion Invitation

NCSBN IV Hydration Clinics Panel Discussion Invitation (Correspondence 03)

On June 30, 2023, Mr. Jim Cleghorn, Director, Member Engagement and Government Affairs, sent a reminder to the Georgia Board of Nursing to register for a panel discussion entitled, Intravenous Hydration Clinics: Federal and State Regulatory Perspectives, on Wednesday, July 26, 2023, from 3:00 to 4:30 PM ET. The Food and Drug Administration (FDA), Federation of State Medical Boards (FSMB), National Association of Boards of Pharmacy (NABP) and the National Council of State Boards of Nursing (NCSBN) will hold this virtual panel discussion with case study presentations for FSMB, NABP, and NCSBN members. IV hydration clinics, which have grown in popularity in recent years, allow consumers to select an IV infusion from a menu of various vitamins and supplements advertised for various uses such as boosting immunity, promoting recovery, and remedying hangovers or fatigue. The FDA has received reports of adverse events associated with drug products compounded at medical offices and clinics, such as IV hydration clinics, under insanitary conditions and issued a drug compounding risk alert in October 2021 to caution healthcare providers about the risks. The session will include the following: • Opening remarks by leadership from FDA's compounding office, NABP, FSMB, and NCSBN • A presentation by Christine DeLorme of the Federal Trade Commission on FTC activities related to IV Hydration • A special presentation on Mississippi regulators' collaborative efforts to address IV hydration facilities by Kenneth Cleveland (MS Board of Medicine), Phyllis Johnson (MS Board of Nursing), and Susan McCoy (MS Board of Pharmacy) • A discussion panel of regulators moderated by Caroline Juran (VA BOP) Please register in advance for this meeting. Feel free to share this invitation with other members of your staff, board, or regulatory team. Space is limited, so register soon. After registering, you will receive a confirmation email with information on how to join the meeting. **See email in the board packet on the Bridge.**

EDUCATION – Correspondence – 04 – Lanier Technical College PN Program Pilot

Lanier Technical College PN Program Pilot (Correspondence 06)

I received an email from Dr. Sara Heldon, DNP, MSN-Ed, RN, Director of the PN Program, regarding initiating an online Pilot PN cohort. PN Board Rules state that the PN program is required to have no less than 685 clock hours of theoretical and general education content (410-9-.06). She is hopeful to offer an online, asynchronous lecture option for PN, with the expectation that lab and clinical would be completed face-to-face. Adding a cohort of 20 students online would not require additional instructors. They will just need to be mindful of clinical rotations- not having more than 10 students to one instructor and not having more adjunct than full-time faculty. Dr. Heldon would like to do a presentation to the Board at the next Board Meeting on the possibility of doing a Pilot of this program. **See email in the board packet on the Bridge. The Board approved for Dr. Sara Heldon to present at the September 2023 Board Meeting.**

EDUCATION – Correspondence – 05 – South University – Notice of Change in Ownership

South University – Notice of Change in Ownership (Correspondence 05)

On May 30, 2023, South University would like to notify you of an exciting organizational change that we anticipate occurring on or around July 3, 2023. Educational Principle Foundation, LLC (EPF), the sole member in South University's existing nonprofit LLC ownership structure, is relinquishing its member interest of South University – Member, LLC. As a result of this change, South University's current second level of ownership, South University – Member, LLC, will become the owner of South University's entities and its campuses. Our plan is to convert South University – Member, LLC from a nonprofit LLC to nonprofit nonstock corporation named South University – Member, Inc., and in addition, we will transfer its domicile from Arizona to Delaware. Thus, following the change, the University be owned directly by South University Savannah, LLC (SUS), a Georgia nonprofit limited liability company, which in turn is owned by South University – Member, Inc., a Delaware nonprofit nonstock corporation, which will be governed by its self-perpetuating Board of Directors. This change will separate the University from its current parent corporation (top level ownership) and allow the University to operate as a fully independent nonprofit institution of higher education. The University submitted an Abbreviated Pre-Acquisition Review (APAR) of the proposed change in control/ownership to the US Department of Education. The US Department of Education responded to the APAR on March 8, 2023, and confirmed that the change of control and the subsequent change from a non-profit LLC to a nonprofit nonstock corporation would not constitute a “new owner” and would not require the new owner letter of credit. South University discussed these proposed changes with SACSCOC and on March 15, 2023, South University submitted the substantive change and prospectus. SACSCOC will review the proposed change at its meeting in mid-June. South University has also worked with each of our state licensing agencies that oversee our physical campuses and are continuing to work with our other state licensing agencies, programmatic accrediting agencies, and other interested parties through this process based on each agency's deadlines and requirements. In accordance with your agency's requirements, South University is providing notice of these changes. We understand there likely will be further proceedings with your agency concerning the changes and we are committed to meeting all requirements.

ADDENDUM SENT May 30, 2023. As you may recall, we provided notification to you on May 30, 2023 notifying you of the upcoming change in control for South University on July 3rd. Due to the amount of paperwork involved and given the July 4th holiday, the effective date will now be July 14, 2023. **See email in the board packet on the Bridge.**
