Q5 - How can we facilitate your personal development as a board member?

Right now, I have a lot of reading and studying to do. I will at some point likely attend the NCSBN meeting.

No suggestions as of now. Thank you for taking time to explain processes during the meeting for the new members.

I enjoy the presentations. Maybe just do one per meeting.

Q6 - Please list suggestions for improvement in Board operation and activities.

The only thing that made it a little challenging is multiple conversations going on at one time during the meeting.
