CORRESPONDENCE

01 – Request to Approve Military to LPN

The Board received a request from an individual who was discharged from the Coast Guard in February 2023, where he served as a health services technician, to proceed through the Military to LPN Transition Program. The statute establishing this program became effective in July 2024 and permits military medical personnel to transition to LPN licensure within one year of discharge. After discussion, the Board approved allowing this individual to apply and transition through the program. Additionally, the Board requested that this specific case be placed on the next meeting agenda to further discuss how far back discharge dates will be considered for eligibility. Loke made a motion to approve, Gresham seconded the motion, and it carried unanimously.

STRATEGIC PLAN

01 – Michael J. Vitacco, PH.D., ABPP Curriculum Vitae

The Board reviewed the Curriculum Vitae of psychologist Dr. Michael Vitacco for inclusion on the Board's approved list of providers for psychosexual MPEs. The Board approved adding Dr. Vitacco to the list. Zinker made a motion to approve, Pierce seconded the motion, and it carried unanimously.

02 – MedSpa IV Hydration Workgroup

Board member Josh Batson expressed interest in resuming the Medispa/IV Hydration Workgroup, originally formed last year in collaboration with the Medical and Pharmacy Boards, due to a rise in related complaints over the past year. After contacting the Medical Board, Tara Taylor was asked to coordinate potential dates and times that our Board members from the workgroup would be available. The Nursing Board members indicated a preference to begin with a virtual meeting scheduled in advance, followed by an in-person meeting once a more structured agenda is developed for future meetings.

There being no further business, the meeting adjourned June 12, 2025, at 4:55 pm.
