#### **GOVERNANCE**

##### 01 – Legislative Update

The Board reviewed the following bills that were passed in this past legislative session and signed by the Governor:

HB 880 – A military spouse who holds a current license in good standing issued by another state and applies for expedited licensure by endorsement may practice without being licensed in Georgia.

HB 1046 – A delegating physician may not enter into a nurse protocol agreement or physician assistant job description with more than the combined equivalent of eight APRNs or PAs at any one time. Additionally, a delegating physician may not supervise more than the combined equivalent of eight APRNs or PAs at any one time. Also authorizes APRNs/PAs to sign death certificates (Authorization must be included in the APRN protocol agreement).

SB 449 – Provides for the licensure of APRNs in Georgia. Currently, APRNs hold an authorization to practice in the state. On and after September 1, 2025, applicants for APRN licensure who meet the qualifications will become licensed, and those who hold a current authorization to practice in the state shall, by operation of law, be automatically licensed to practice as an APRN. Includes an expedited licensing process for military medical personnel to provisionally qualify as an LPN. (ED is working with PLB at this time re: collaboration with Veteran Services to create a Bridge program for medics that are provisionally licensed for 12 months).

HB 557 – Authorizes physicians to delegate the authority to advanced practice registered nurses and physician assistants to prescribe Schedule II controlled substances. (After one year of post-licensure clinical experience to prescribe hydrocodone, oxycodone, or compounds thereof in emergencies not to exceed five-day supply for individuals 18 years of age or older). Authorizes APRN/PA to write orders for disability parking permits. Authorizations included in HB 557 must be included in the nurse protocol agreement or the PA's supervisory agreement.

HB874 – Requires automated external defibrillators in all public schools (K-12) and requires emergency action plans to address a person in cardiac arrest, including providing qualified internal response team and practice drills.

## **CORRESPONDANCE**

### 01 – AI Nurses

The Board reviewed correspondence sent from Chelsea Hagopian, ED of the Georgia Nursing Workforce Center at Emory University regarding the use of generative AI nurses by a healthcare company. Discussion was had of these generative AI nurses do not have a nursing license, yet appear to be practicing nursing through education, etc. and the regulatory concerns surrounding this issue. Board would like for Tara Taylor to contact NCSBN and the AG's office to receive further information regarding this matter.

## **STRATEGIC PLAN**

### 01 – Workforce and Education Data Sharing

After guidance was provided from the AG's office, the Board decided to share workforce data only with the Georgia Healthcare Workforce Board (GHCWB) since an MOU was already in place between PLB and GHCWB. Other entities around the state may receive this data through the GHCWB's dashboard.

Also, Stevan VanHook, Education Consultant, shared that she would like to place the data from the education annual report when it is received in September 2024 on the Board's website for the public. Data will be aggregated.

### 02 – Out-of-state and Online Nursing Programs

At the November 2023 meeting, the Board denied requests to approve out-of-state or online nursing programs to complete clinical in Georgia due to 1 - Georgia's nursing programs having issues finding clinical placement for their students and 2 -the Board not having the staff to evaluate and approve these programs. Since the November 2023 meeting, the Board office has received an influx of inquiries from these programs. Stevan VanHook and Tara Taylor reached out to Max Changus, former Senior AG, for legal guidance and Board discussed. The Board would like Tara Taylor and Stevan VanHook to reach out to other states/NCSBN to see how other state boards of nursing are handling this matter.

## **EDUCATION REPORT** – May 2024 Education Report - Stevan Van Hook, RN, MSN

Zinker moved to accept the Education Report as presented. Batson seconded the motion and it carried unanimously.
