They are in the process of forming an advisory board for SANE and seek the Board's support, including the potential involvement of a Board member. Their goal is to establish training standards for examiners statewide. They propose a training program consisting of 40 classroom hours and three practical exam checkoffs, after which registered nurses would receive a certificate. Although a SANE certification currently exists for RNs, it is expensive and time-consuming. The Board reviewed their materials and agreed to have them present at the November 2024 meeting.

03, 04, 05 – Legal Licensing Decision Tree for Applicants, Renewals, and AAJ (Speed Memos)

New Legal Licensing Decision Trees for Applications and Renewals drafted by board staff, Janet Freeman and Lawanda Davis, were reviewed and approved to replace the May 2019 Matrix for applicants with a positive criminal history.
