## **OPEN SESSION**

Tanner called the meeting to order at 9:03 am on Thursday, March 12, 2026. Tanner declared the meeting to be “open” pursuant to the Open and Public Meeting Act, O.C.G.A. §§ 50-14-1 et seq.

## **CORRESPONDENCE**

### **01 – CNM Practice**

In November 2025, the Board reviewed correspondence from Victoria Gordon, Program Director of Midwife ME, Ltd., and the outgoing APRN Director and incoming Legislative & Public Policy Director for the Georgia Nurses Association. She expressed concerns regarding recent Board interpretations of rules and regulations that may limit Certified Nurse Midwife (CNM) practice. The Board forwarded Ms. Gordon’s concerns to Board counsel in the Attorney General’s Office for review of the rules and regulations related to CNM’s scope of practice. The Board’s legal counsel requested that the Board clarify the scope of practice for a Certified Nurse Midwife (CNM). Josh Batson, APRN seat member, noted that all APRNs in the state of Georgia are required to practice under a physician protocol agreement, regardless of whether they are operating pursuant to O.C.G.A. §§ 43-34-23 or 43-34-25, and that independent practice is not permitted for APRNs in Georgia. Accordingly, even when a CNM is administering therapies or prescribing treatments, as described by Ms. Gordon, such activities must occur under a physician protocol agreement.

Following the discussion, the Board determined that a response reflecting this position would be provided to Ms. Gordon.

### **EDUCATION REPORT** – March 2026 Education Report - Stevan Van Hook, RN, MSN

Batson moved to accept the Education Report as presented. Zinker seconded the motion, and it carried unanimously. (*Watkins and Summerlin abstain from USG matters.*)
