PETITION FOR RULE WAIVER

Willcox made a motion to approve the petition for a rule waiver below. Gresham seconded the motion, and it carried unanimously.

01 – Debbie-Ann Creary

STRATEGIC PLAN

01 – Policy 1.31 Proposed Edits

Due to the Office of Inspector General and Federal Bureau of Investigation (FBI) Operation Nightingale investigation, a footnote has been added to Policy 1.13. This revision clarifies that the Board may evaluate an applicant's nursing education, even if the nursing program is approved by the state/jurisdiction in which it is located, when the program has been identified in an investigation. The Board reviewed and approved the addition of this language to Policy 1.13.

Willcox made a motion to approve, Bohannon seconded, and the motion carried unanimously.

02 – Out of State Program Pathway for Clinical Experiences in Georgia

The Board approved the Guidelines for the Out-of-State Nursing Education Program Pathway for Conducting Clinical Experiences in Georgia, which were reviewed at the May Board meeting. Following the Board's approval, Tara Taylor and Stevan VanHook will draft a new Board rule consistent with the approved guidelines and present the proposed rule to the Board at the July Board meeting.

Zinker made a motion to approve, Bohannon seconded, and the motion carried unanimously.

There being no further business, the meeting adjourned June 11, 2026, at 6:26 pm.
