OPEN SESSION

Tanner called the meeting to order at 4:02 pm on Thursday, August 13, 2026.

The Board of Nursing conducted a public rule hearing to propose amendments to Board Rule Chapter 410-11, Regulation of Advanced Practice Registered Nurses. The purpose of the amendments is to align with new statutes and to reorganize and clarify the requirements governing APRN licensure and practice.

Key Amendments:

Rules are being amended to align with O.C.G.A. 43-26-7.1 which became effective July 1, 2024, and states that on and after September 1, 2025, any applicant who meets the requirements of this Code section shall be eligible for licensure as an advanced practice registered nurse as well as a person who is authorized by the board to practice as an advanced practice registered nurse as of September 1, 2025, shall by operation of law be automatically licensed to practice as an advanced practice registered nurse on such date.

Currently, the Board recognizes five APRN roles (certified registered nurse anesthetist (CRNA), certified nurse-midwife (CNM), clinical nurse specialist (CNS), clinical nurse specialist psychiatric mental health (CNS/PMH), and certified nurse practitioner (CNP)), whereas the statute specifies four. The additional role, CNS/PMH, is the only one identified with a population focus attached to the title. The CNS/PMH was the first APRN role granted prescriptive authority, which is why both the role and population were combined years ago. Since all APRNs (excluding CRNAs) now have prescriptive authority under a protocol agreement, distinguishing the PMH population within the CNS role is no longer necessary. Therefore, the CNS/PMH role is being removed from the rules, and all APRNs under this role will be licensed under the CNS role.

Current rules 410-11-.02(1), 410-11-.03(1), 410-11-.04(1), 410-11-.05(1), and 410-11-.06(1) define each APRN role. These are not needed because they have been defined in Proposed Rule 410-11-.01; therefore, these rules have been removed.

Current rules 410-11-.02(2), 410-11-.03(2), 410-11-.04(2), 410-11-.05(2), and 410-11-.06(2) state the scope and standard of practice for each APRN role. The scope and standard of practice for each APRN role have been moved to Proposed Rule 410-11-.06, 410-11-.07, 410-11-.08, and 410-11-.09.

Current rules 410-11-.02(3), 410-11-.03(3-5), 410-11-.04(3), 410-11-.05(3), and 410-11-.06(3) state the requirements for licensure for each APRN role. These rules have all been moved to Proposed Rule 410-11-.02 and consolidated into a single rule rather than being stated under each APRN role; therefore, these rules have been removed.

Current Rule 410-11-.02(4), 410-11-.03(6), 410-11-.04(4), 410-11-.05(4), 410-11-.06(3)(c) state the renewal requirements for each APRN role. These requirements have been moved to Proposed Rule 410-11-.05 and consolidated into a single rule rather than being stated under each APRN role; therefore, these rules have been removed.

O.C.G.A. § 43-34-25 was amended in 2024, and Proposed Rule 410-11-.13(2-3) outlines these changes.

The rule was duly posted for 30 days, and no public comments were received.

Porter made a motion to adopt the proposed amendments to Board Rule 410-11. Garber seconded the motion, and it carried.

Batson made a motion to release the Attorney General's Memorandum of Authority to the Governor's Office. Gresham seconded the motion, and it carried. The public hearing was then concluded.

A quorum to conduct disciplinary matters was determined to exist.

EXECUTIVE SESSION

Loke moved, Zinker seconded, and the Board voted to enter into executive session in accordance with O.C.G.A. §§43-1-2(k); 43-1-19(h); 43-26-5(c) and 43-26-11, to deliberate on applications and enforcement matters and to receive information on applications, investigative cases and pending cases. The motion passed unanimously.

At the conclusion of the executive session on Thursday, August 13, 2026, Tanner declared the meeting to be "open" pursuant to the Open and Public Meeting Act, O.C.G.A. §§ 50-14-1 et seq. No votes were taken during the executive session.

CORRESPONDENCE

01 – USG Request

The Board received a request from University System of Georgia (USG) Chancellor Sonny Perdue and Dr. Shawn Little to amend Board Rule 410-8-.03. The request seeks to establish a pathway for military medical personnel who complete an accelerated RN program to obtain RN licensure, similar to the pathway previously established by the Board for military medical personnel seeking LPN licensure. The Board referred the request to the Education Committee for review and consideration.

There being no further business, the meeting adjourned August 13, 2026, at 5:26 pm.
