OPEN SESSION

Tanner called the meeting to order at 9:05 am on Thursday, July 16, 2026. Tanner declared the meeting to be “open” pursuant to the Open and Public Meeting Act, O.C.G.A. §§ 50-14-1 et seq.

CORRESPONDENCE

01 – USG Nursing Workforce Summit Summary Report 6.2026

The Board reviewed the USG Nursing Workforce Summit Summary Report from the summit hosted by USG in March 2026, which was shared with the Board by Dr. Shawn Little, Associate Vice Chancellor of Healthcare Education for USG. The summit focused on addressing nursing workforce challenges through nursing education initiatives. USG plans to host a follow-up event in Spring 2027.

STRATEGIC PLAN

01 – TOEFL Scoring Scale

At the May Board meeting, the Board reviewed the new scoring scale implemented by the Test of English as a Foreign Language (TOEFL) in January 2026 and directed Board staff to conduct additional research on the revised scoring scale to assist the Board in considering amendments to its rule governing English language proficiency requirements for nursing applicants.

Board staff obtained the Health Resources and Services Administration (HRSA) list of tests and scores for foreign health care workers and reviewed HRSA's recommended minimum TOEFL scores. The Board approved the following minimum passing scores:

RN - Overall score of 4.5, a Speaking score of 4.5, and scores of 3.5 in Reading, Listening, and Writing

LPN - Overall score of 4.0, a Speaking score of 4.5, and scores of 3.0 in Reading, Listening, and Writing

As the TOEFL score requirements are set forth in the Board's rules, the Board approved the proposed amendments to Board Rules 410-2-.03(4)(g) and 410-2-.06(4)(g) for consideration at an upcoming public rules hearing.

02 – NCLEX Fee

The National Council of State Boards of Nursing (NCSBN) has proposed increasing the NCLEX examination fee from \$200 to \$350. The NCLEX fee has remained unchanged since 2000. The proposed fee increase will be presented for a vote by the delegates at the NCSBN Annual Meeting in August. Each state and jurisdiction is represented by two delegates. Georgia's delegates will be Maceo Tanner and Tara Taylor.

The Board reviewed the transcript of NCSBN's presentation on the proposed fee increase, which was delivered during the NCSBN Mid-Year Meeting in March 2026. The Board acknowledged that the proposed NCLEX fee increase was a significant one-time adjustment; however, members agreed that the increase was necessary due to the fee remaining unchanged for 26 years and the need to support NCSBN's budget requirements.

If the increase is approved, the NCLEX fees will be increased in February 2027.

03 – New MPE Provider

The Board received a request from Robert Reece, Director of Business Development at Coastal Oaks Recovery, for Dr. Lantie Jorandby to be approved as a provider of Mental and Physical Evaluations (MPEs). Dr. Jorandby is board-certified in psychiatry and neurology, general adult and addiction psychiatry, and preventive medicine. Dr. Jorandby previously completed evaluations for Lakeview Health from 2020 through 2024. Coastal Oaks Recovery is located near the Jacksonville airport, providing convenient access for nurses residing in South Georgia.

Following review of Dr. Jorandby's curriculum vitae and discussion, the Board approved adding Dr. Lantie Jorandby to the Board's approved MPE provider list.

Bohannon made a motion to approve, Watkins seconded, and the motion carried unanimously.

The Attorney General's Office has granted authority to the board to proceed with a Public Rules Hearing for Ga. Comp. R. & Regs. r. 410-8-.01 (3), r. 410-8-.05 (4), r. 410-8-.05 (7), and r. 410-8-.14.

Willcox made a motion to post the Notice of Intent and Notice of Public Hearing to adopt proposed amendments to Board Rule Chapter 410-8. Bohannon seconded the motion, and it carried unanimously.

02 – New Legislation SB 207

The Board reviewed Senate Bill 207, which was signed by Governor Kemp and will take effect in July 2027. The legislation requires certain licensing boards, including the Georgia Board of Nursing, to provide individualized consideration of an applicant's criminal record when making licensure decisions. If a license is denied based on an applicant's criminal history, the Board must provide the evidence supporting the denial, and the applicant is entitled to a hearing before the denial becomes final.

The legislation also replaces the reference to "crimes of moral turpitude" with the term "covered misdemeanors," defined as misdemeanor convictions occurring within the previous five years.

Additionally, Senate Bill 207 authorizes individuals with criminal records to request a predetermination of licensure eligibility. Licensing boards will also be required to submit annual reports to the Secretary of State's Office regarding licensure decisions and predetermination decisions involving applicants with criminal records.

EDUCATION REPORT – July 2026 Education Report - Stevan Van Hook, RN, MSN

Batson moved to accept the Education Report as presented. Bohannon seconded the motion, and it carried unanimously. (*Willcox abstains from TSG matters. Watkins and Summerlin abstain from USG matters.*)

				Enrollment Projections/Timeline: The program proposes to admit up to 20 students annually beginning in Spring 2027. Currently, the BHI campus offers the traditional ASN with an admission cohort of 30 students each fall semester during even-numbered years. The admission for the traditional track alternates between the Coffee and Ben Hill/Irwin campuses each year. Faculty: Currently there are 7 full-time faculty members in the program on all campuses. Two of those faculty are assigned to the northern campus locations. If approved, the proposed Bridge Track would admit 20 students each spring semester. To maintain compliance with faculty-to-student ratio requirements, enrollment in the ASN Traditional Track at the BHI campus would be reduced from 30 to 20 students. Despite this reduction, the addition of the Bridge Track would result in an overall increase of 10 students in total ASN program enrollment in the northern campus locations. Physical Resources: The current physical resources will be utilized for the additional Bridge option including classrooms, skills lab, computer lab, library resources. Students in both the traditional and bridge option will share the space. Fiscal Resources: Current state allocations and funding will be utilized to support the enrollment increase as necessary. NCLEX Pass Rates: 2021: 85.29% (29/34) 2022: 84.62% (44/52) 2023: 83.1% (59/71) 2024: 88.89% (64/72) 2025: 78.57% (55/70) Recommendation: Board Discussion
