ORDER EXTENDING THE APPOINTMENT OF INVESTIGATIVE AGENT JASON R. DOSS

Pursuant to O.C.G.A. § 10-5-71(g) of the Georgia Securities Act of 2008, as amended ("Act") and Rule and Regulation of the State of Georgia ("Rule") 590-4-1-.11, the Commissioner of Securities for the State of Georgia ("Commissioner") enters this Formal Order of Investigation extending the appointment of the Investigative Agent Jason R. Doss ("Investigative Agent Doss") to investigate, examine, and inquire into the acts, practices, and transactions engaged in by Respondents First Liberty Building and Loan, LLC *et al.*, and their subsidiaries, affiliates, and other associated persons.

1.

On January 30, 2026, the Commissioner found that this matter constituted a complex investigation requiring detailed analytical skills. Accordingly, the Commissioner found it to be in the public interest to appoint Investigative Agent Doss in this matter.

2.

The Commissioner found, and again finds, that Investigative Agent Doss is a member of the State Bar of Georgia, a private securities and investment fraud attorney, the former President of Public Investors Arbitration Bar Association ("PIABA"), a founding board member of the PIABA Foundation, and has extensive experience in securities regulatory matters. The Commissioner finds that he has demonstrated the necessary investigative, legal, accounting, and financial skills and expertise in order to properly analyze the evidence, prepare and present a comprehensive report, and follow through until completion of the assigned task. Specifically, since the January 30, 2026, appointment of Investigative Agent Doss, he has overseen the drafting of four orders to cease and desist violations of the Georgia Securities Act, conducted testimonies under oath and witness interviews, led negotiations with Respondents other than First Liberty Building and Loan ("Associated Respondents"), and filed numerous motions in the Commissioner's ongoing administrative proceedings with Associated Respondents. Accordingly, the Commissioner again finds Investigative Agent Doss is qualified to continue to serve as Investigative Agent pursuant to O.C.G.A. § 10-5-71(g) and Rule 590-4-1-.11.

3.

Investigative Agent Doss has certified to the Commissioner that he does not have, nor is there a perception that he may have, a professional conflict of interest in the matter to be investigated.

4.

Investigative Agent Doss' twelve (12) month appointment period is hereby extended twelve (12) additional months, with the extended appointment period ending on January 30, 2028.

5.

The extended period of appointment may be shortened or further extended by the Commissioner as circumstances may require.

6.

Investigative Agent Doss shall have the same powers and authority to take testimony or to conduct investigative hearings as are granted to the Commissioner.

7.

Investigative Agent Doss may utilize such other professionals, including attorneys and paraprofessionals, as he deems necessary and appropriate to conduct any investigations.

8.

All recommendations of the Investigative Agents shall be advisory only and shall not have the effect of an order of the Commissioner.

9.

With respect to each investigation conducted, Investigative Agent shall submit to the Commissioner a written report, including the transcript of the testimony in evidence (if requested

by the Commissioner), factual findings, and recommendations of the action to be taken by the Commissioner.

10.

The rate of compensation for Investigative Agent Doss shall be $300.00 per hour. The Investigative Agent shall submit a detailed invoice to the Commissioner on a monthly basis.

WHEREFORE, by the authority vested in me as Commissioner of Securities for the State of Georgia,

IT IS HEREBY ORDERED that, pursuant to O.C.G.A. § 10-5-71(g) and Rule 590-4-1-.11, Jason Doss's appointment to represent the Commissioner in this matter as Investigative Agent is hereby extended as provided for herein, and unless otherwise directed shall report to, and be supervised by, the Assistant Securities Commissioner

SO ORDERED this 2ND day of November, 2026.
