

Instructions for Application

Note: Please consult the Instructions, Board Laws, Rules and Instruction Sheet before calling the Board office.

Either type or print neatly and legibly on this application. Illegible and incomplete applications will be returned to you.

Effective immediately, all Application supporting information (verifications, endorsements, references and transcripts) must be enclosed with the completed application and mailed to the Georgia State Board of Registration for Professional Engineers and Land Surveyors at 237 Coliseum Drive, Macon, Georgia 31217.

The applicant is responsible for gathering the information from his/her endorsers, college(s) and other state boards.

1. Have each agency/institution/person send the item directly to you (the applicant), in a sealed envelope, signing the back flap of the envelope to ensure no tampering.
2. Gather all sealed envelopes along with your application and send the entire package to the Georgia State Board of Registration for Professional Engineers and Land Surveyors office.
3. If the application is incomplete or one of your items is missing or opened, you will be notified by email.

Section 1: General Information

Address: Preferred *permanent* complete mailing address.

If you have served in the Armed Forces, submit a DD-214, or other proof of service.

Section 2: Registration

If you have ever applied to this Board before, indicate what type of registration you applied for. If your application was returned to you, then it was never logged into our database, and in this case, you would answer "No".

If you took your exam in one state and live in or have moved to Georgia from another state and are applying in Georgia by comity registration, you must provide verification of licensure from both the exam state and your recent home state.

Section 3: Experience

Please complete columns Engagement #, Company Name, Your Title, Part Time, From, To, Total Months, and Total Number of Endorsement Forms only. The rest of the page is "For Board Use Only."

Account for all post-secondary (after high school) engagements in chronological order beginning with your first held position **having to do with surveying**. Beginning dates should indicate month and year. Engagements are defined as employment periods at different companies or firms and **significant** changes of responsibilities within the same company or firm. It **does not mean different projects** or various placements within the same company or firm unless it is a significant change in responsibility.

Engagement #: Number these consecutively.

Identify part time work and indicate number of hours per week.

All gaps (in college, employment, etc.) must be identified on the appropriate form. This includes non-surveying work, unemployment, sabbaticals, incarceration, gaps between high school and college, or between college and first engagement, etc. If you did not go directly into college from high school, then account for time since high school graduation.

Section 4: Education

Transcripts must be sent from all college attended, whether you graduated or not. If your post-secondary education was earned in the US or its territories, transcripts must be sent to you in a sealed envelope for you to forward to the Board with your application.

If your post-secondary education was earned outside the US, you MUST: 1) refer to Board Rules 180-3-.03 and 180-3-.04 (see Board website, (<http://rules.sos.ga.gov/gac/180>); 2) submit a notarized copy of your transcript which must show all coursework earned, the degree granted, and the date your degree was conferred. 3) If it is not in English, include a certified English translation, also notarized. Contact NCEES at their website address, www.ncees.org or request from the Board a Foreign Evaluation application, as your transcript must be evaluated.

Section 4A Education Evaluation

The 2018 policy seeks to achieve two objectives. First, to transition away from course and school specific acceptance to a format and content approach. Secondly, to respond to statutory changes in the education requirement in OCGA 43-15-12 and 43-15-13.1 by SB 425 which becomes effective July 1, 2018. The education requirement transitions from the pre-SB425 requirements to the new requirements with a 2 year grandfathering period which expires for new applications starting July 1, 2020. This specifically affects 1) the amount of formal education required and the 2) optional hydrology course work and exam depending on the path taken. Courses will be acceptable if successfully passed at a college or university where the degree or certificate program has achieved applicable accreditation. Applicants will be asked to provide which courses in their transcript satisfy the Board's specific criteria. Applicants will also be responsible for providing any requested information such as syllabi, accreditation, course descriptions, etc. to aid the Board in evaluating courses presented. The required content may be provided in different courses, but credit will not be given for redundant material.

1) During the transition period, applicants may qualify for examination as an SI or PLS under either the prior requirements or the new. The prior requirements are set forth in 43-15-12(b) which is 15 quarter hours (9 semester hours) in land surveying and 5 quarter hours (3 semester hours) in applied hydrology and applicable prerequisites. The new requirements are set forth in 43-15-12(a)(2) and consist of 18 semester hours in surveying.

43-15-12(b) applicants are required to provide courses which meet criteria S1, S2, and S3 as set forth below, as well as HP1, HP2, and AH.

43-15-12(a)(3) applicants are required to provide courses which meet criteria S1, S2, S3, S4, and additional course work needed to satisfy the 18 semester hour requirement.

2) Beginning July 1, 2018 the hydrology examination is optional for all applicants. Professional Land Surveyors who opt to be examined in hydrology and design will be indicated on their license record as "Hydrology and Design Authorized" (see OCGA 43-15-13.1(2)). All other new licensees will be indicated simply as "current" (standard) licensure status. Applicants wishing to be examined to become a Hydrology and Design Authorized PLS are required to provide courses which meet criteria HP1, HP2, and AH as well as pass the Georgia Hydrology Exam. Courses and programs that are being accepted and recognized prior to July 1, 2018 will continue to be recognized through the 2 year period, until July 1, 2020.

Required Course Criteria

S1: Foundation in surveying. The course would cover the basics of surveying coordinate geometry, surveying calculations, traversing and leveling, topography & contours, proper field procedures, and basic cartography. Prerequisites should include trigonometry and a course in drafting, engineering graphics, CAD, cartography, or similar background. Course should include lab in surveying, measurements, etc. This course might be offered under names such as "Elementary Surveying", "Surveying 1", "Geomatics Measurements", etc.

S2: Advanced surveying course. The course would cover state plane coordinates, mapping projections, advanced field techniques, route and alignment surveys, volumetric calculations, construction staking techniques, and data collection. Appropriate lab application should be included in the course. This course might be offered under names such as "Advanced Surveying", "Route Surveying", "Surveying 2", etc.

S3: Legal Aspects course. The course would include history of land division systems, basic property rights, legal descriptions, written conveyances, unwritten conveyances, retracing the footsteps of older surveys, junior-senior rights, prescription and adverse possession, hierarchy of controlling monuments and title elements, disputes and litigation. This course might be offered under names such as “Legal Aspects of Surveying”, “Boundary Law”, “Property Law”, etc.

S4: Professional Practice course. The course would prepare the applicant for professional practice as a Professional Land Surveyor and would include subdivision design, site layout, zoning and land use regulations, professional ethics, and business practice.

S5+: Additional courses in surveying and related applicable fields include higher level material such as GIS, geodesy, geodetic surveying, photogrammetry, advanced boundary law, remote sensing, dendrology, spatial analysis, and surveying adjustments. Partial credit may be given for some courses which contain partially applicable material.

HP1: Hydrology Prerequisite 1. This course would follow a physics sequence and cover the general engineering principles of mechanics and statics.

HP2: Hydrology Prerequisite 2: This course would follow the mechanics/statics course and concentrate in fluid mechanics, pressurized flow, and hydraulics.

AH: Applied Hydrology: This course covers watershed analysis and the design of culverts, multi-structure systems, retention ponds, and open channel flow.

Section 5: Affidavit

The photo should be a clear head and shoulder shot, and may be black & white or color photograph. Digital photos are accepted. Photo should fit in the space provided. Application MUST be signed and officially notarized.

Section 6: Endorsement Form

Endorsers: 1) should not be related to the applicant by blood or marriage; 2) should not be Board members; and 3) should have personal knowledge of applicant’s professional reputation and accomplishments.

Indicate endorsement number in space provided, making sure it coincides with the numbered engagement in Section 3.

At least five endorsement forms MUST be references, either “Reference Only” or “Reference and Experience Verification”, and at least three of these references MUST be registered, active land surveyors (not necessarily in Georgia). Additionally, all engagements listed on Section 3: Experience, must be endorsed. One person may endorse more than one engagement on his/her Endorsement Form. It is not necessary to submit multiple endorsements for one engagement, unless you need to for the five minimum.

If you are using an Endorsement Form as a “Reference Only” complete Section 6-A. 1) Fill in your name and social security number, check the appropriate box, and 2) forward form to endorser along with a pre-addressed stamped envelope for the endorser to return it to you.

If you are using the Endorsement Form as a “Reference and Experience Verification or an “Experience Verification Only”, complete Section 6-A: 1) Check the appropriate, 2) Complete the front of the form, giving sufficient detail of your job duties, 3) Forward form to endorser along with a pre-addressed stamped envelope for the endorser to return it to you. If everyone familiar with your work is gone from the company, and the company is still in business, have the Personnel Department verify your work dates. If the company is closed, complete the form, then write at the bottom of the page “Company Closed.” Experience that cannot be adequately verified may be deemed not applicable.

If you worked solely for a relative, that relative may endorse the experience provided. However, he/she still may not serve as one of the five (5) required references.

Be sure to enclose a check or money order. Checks should be made payable to *Secretary of State*. If fee is not attached, application will be returned.

Deadlines

Deadline date is for the complete application. All supporting documentation and information must be received before an application is considered complete. If they are not received by the deadline date, you may not be considered until the next scheduled exam. *It is the applicant's responsibility to assure receipt of required documentation.*

December 1st is the deadline for the April examination.

June 1st is the deadline for the October examination.

Applicable Code Sections

43-15-12.

(a) To be eligible for certification as a land surveyor intern, an applicant must meet the following minimum requirements:

- (1)(A) Earn a bachelor's degree in a curriculum approved by the board;
- (B) Earn an associate degree, or its equivalent, in a curriculum approved by the board and acquire not less than two years of combined office and field experience in land surveying of a nature satisfactory to the board; or
- (C) Earn a high school diploma, or its equivalent, and acquire not less than four years' experience in land surveying of a nature satisfactory to the board;

(2) Acquire a minimum of 18 semester hours of credit, or its equivalent, in land surveying subjects in a course of study approved by the board; and

(3) Subsequently pass the board approved examination in the fundamentals of land surveying (land surveyor intern examination).

(b) Land surveyor intern applicants may apply prior to July 1, 2020, with 15 quarter hours of credit in land surveying subjects in a course of study approved by the board and five quarter hours in hydrology. Such applicants applying prior to July 1, 2020, who meet the requirements of this subsection shall be eligible for licensure without the hydrology exam.

43-15-13.

To be eligible for a license as a professional land surveyor, an applicant must meet the following minimum requirements:

(1)(A) Obtain certification as a land surveyor intern under subparagraph (A) of paragraph (1) and paragraph (3) of subsection (a) of Code Section 43-15-12;

B) Acquire a specific record of the equivalent of not less than four years of combined office and field experience in land surveying with a minimum of three years' experience in responsible charge of land surveying projects under the supervision of a professional land surveyor or such other supervision deemed by the board to be the equivalent thereof; and

(C) Subsequently pass a written examination on the principles and practices of land surveying and the laws of this state relating to land surveying (professional land surveyor examination);

(2)(A) Obtain certification as a land surveyor intern under subparagraph (B) of paragraph (1) and paragraph (3) of subsection (a) of Code Section 43-15-12;

(B) Acquire an additional specific record of the equivalent of not less than four years of combined office and field experience in land surveying which, together with the qualifying experience under subparagraph (B) of paragraph (1) of subsection (a) of Code Section 43-15-12, includes not less than four years' experience in responsible charge of land surveying projects under the supervision of a professional land surveyor or such other supervision deemed by the board to be the equivalent thereof; and

(C) Subsequently pass a written examination on the principles and practices of land surveying and the laws of Georgia relating to land surveying (professional land surveyor examination); or

(3)(A) Obtain certification as a land surveyor intern under subparagraph (C) of paragraph (1) and paragraph (3) of subsection (a) of Code Section 43-15-12;

(B) Acquire an additional specific record of not less than four years of experience in land surveying which, together with the qualifying experience under subparagraph (C) of paragraph (1) of subsection (a) of Code Section 43-15-12, includes not less than six years' experience in responsible charge of land surveying projects under the supervision of a professional land surveyor or such other supervision deemed by the board to be the equivalent thereof and of a grade and character satisfactory to the board indicating that the applicant is competent to practice land surveying; and

(C) Subsequently pass a written examination on the principles and practices of land surveying and laws of this state relating to land surveying (professional land surveyor examination).

43-15-13.1.

For an individual to be eligible to engage in the practices described in divisions (6)(D)(ii) through (iv) of Code Section 43-15-2, he or she shall:

(1) Obtain licensure as a professional land surveyor, registered land surveyor, or land surveyor under this chapter prior to July 1, 2018; or

(2) Complete an additional three semester hours of coursework in hydrology, possess the requisite required by the board, and pass the hydrology exam. The licensing record for such individual as available to the public shall be marked as 'hydrology and design authorized.'

Section 5: Affidavit by Applicant

I hereby swear and affirm that all information provided in this application is true and correct to the best of my knowledge and belief. I further swear and affirm that I have read and understand the current state laws and rules and regulations of the Board for which I am applying for licensure and I agree to abide by these laws and rules.

By executing this affidavit under oath, as an applicant for a professional license, as referenced in O.C.G.A. § 50-36-1, administered by the Professional Licensing Boards Division, the undersigned applicant also verifies one of the following with respect to his/her application for a public benefit (check one):

1) _____ I am a United States citizen. **Please submit a copy of your current Secure and Verifiable Document(s) such as driver’s license, passport, or document as indicated on the Board’s website.**

2) _____ I am not a United States citizen, but I am either a legal permanent resident of the United States or I am a qualified alien or non-immigrant under the Federal Immigration and Nationality Act with an alien number issued by the Department of Homeland Security or other federal immigration agency. **Please submit a copy of your current immigration document(s) which includes either your Alien number or your I-94 number and, if needed, SEVIS number.**

The undersigned applicant also hereby verifies that he or she is 18 years of age or older and has provided at least one secure and verifiable document, as required by O.C.G.A. § 50-36-1(e)(1), with this affidavit.

In making the above representations under oath, I understand that any person who knowingly and willfully makes a false, fictitious, or fraudulent statement or representation in an affidavit shall be guilty of a violation of O.C.G.A. § 16-10-20, and face criminal penalties as allowed by such criminal statute. I also understand that any failure to make full and accurate disclosures may result in disciplinary action by the Board for which I am applying for licensure.

**Section 6B – To Be Completed by Endorser
 Applicant's description in Section 6A above is:**

Accurate Inaccurate (Explain if inaccurate): _____

Were you the applicant's direct supervisor for this engagement? Yes No

If direct supervisor, were you a Professional Land Surveyor? Yes No

Instructions for LSI Application

Note: Please consult the Instructions, Board Laws, Rules and Instruction Sheet before calling the Board office.

Either type or print neatly and legibly on this application. Illegible and incomplete applications will be returned to you.

Effective immediately, all Application supporting information (verifications, endorsements, references and transcripts) must be enclosed with the completed application and mailed to the Georgia State Board of Registration for Professional Engineers and Land Surveyors at 237 Coliseum Drive, Macon, Georgia 31217.

The applicant is responsible for gathering the information from his/her endorsers, college(s) and other state boards.

1. Have each agency/institution/person send the item directly to you (the applicant), in a sealed envelope, signing the back flap of the envelope to ensure no tampering.
2. Gather all sealed envelopes along with your application and send the entire package to the Georgia State Board of Registration for Professional Engineers and Land Surveyors office.
3. If the application is incomplete or one of your items is missing or opened, you will be notified by email.

Section 1: General Information

Address: Preferred *permanent* complete mailing address.

If you have served in the Armed Forces, submit a DD-214, or other proof of service.

Section 2: Registration

If you have ever applied to this Board before, indicate what type of registration you applied for. If your application was returned to you, then it was never logged into our database, and in this case, you would answer "No".

If you took your exam in one state and live in or have moved to Georgia from another state and are applying in Georgia by comity registration, you must provide verification of licensure from both the exam state and your recent home state.

Section 3: Experience

Please complete columns Engagement #, Company Name, Your Title, Part Time, From, To, Total Months, and Total Number of Endorsement Forms only. The rest of the page is "For Board Use Only."

Account for all post-secondary (after high school) engagements in chronological order beginning with your first held position **having to do with surveying**. Beginning dates should indicate month and year. Engagements are defined as employment periods at different companies or firms and **significant** changes of responsibilities within the same company or firm. It **does not mean different projects** or various placements within the same company or firm unless it is a significant change in responsibility.

Engagement #: Number these consecutively.

Identify part time work and indicate number of hours per week.

All gaps (in college, employment, etc.) must be identified on the appropriate form. This includes non-surveying work, unemployment, sabbaticals, incarceration, gaps between high school and college, or between college and first engagement, etc. If you did not go directly into college from high school, then account for time since high school graduation.

Section 4: Education

Transcripts must be sent from all college attended, whether you graduated or not. If your post-secondary education was earned in the US or its territories, transcripts must be sent to you in a sealed envelope for you to forward to the Board with your application.

If your post-secondary education was earned outside the US, you MUST: 1) refer to Board Rules 180-3-.03 and 180-3-.04 (see Board website, <http://www.sos.state.ga.us/plb/pels/>); 2) submit a notarized copy of your transcript which must show all coursework earned, the degree granted, and the date your degree was conferred. 3) If it is not in English, include a certified English translation, also notarized. Contact ECEI at their website address, www.ecei.org or request from the Board a Foreign Evaluation application, as your transcript must be evaluated.

Section 5: Affidavit

The photo should be a clear head and shoulder shot, and may be black & white or color photograph. Digital photos are accepted. Photo should fit in the space provided. Application MUST be signed and officially notarized.

Section 6: Endorsement Form

Endorsers: 1) should not be related to the applicant by blood or marriage; 2) should not be Board members; and 3) should have personal knowledge of applicant's professional reputation and accomplishments.

Indicate endorsement number in space provided, making sure it coincides with the numbered engagement in Section 3.

At least five endorsement forms MUST be references, either "Reference Only" or "Reference and Experience Verification", and at least three of these references MUST be registered, active land surveyors (not necessarily in Georgia). Additionally, all engagements listed on Section 3: Experience, must be endorsed. One person may endorse more than one engagement on his/her Endorsement Form. It is not necessary to submit multiple endorsements for one engagement, unless you need to for the five minimum.

If you are using an Endorsement Form as a "Reference Only" complete Section 6-A. 1) Fill in your name and social security number, check the appropriate box, and 2) forward form to endorser along with a pre-addressed stamped envelope for the endorser to return it to you.

If you are using the Endorsement Form as a "Reference and Experience Verification or an "Experience Verification Only", complete Section 6-A: 1) Check the appropriate, 2) Complete the front of the form, giving sufficient detail of your job duties, 3) Forward form to endorser along with a pre-addressed stamped envelope for the endorser to return it to you. If everyone familiar with your work is gone from the company, and the company is still in business, have the Personnel Department verify your work dates. If the company is closed, complete the form, then write at the bottom of the page "Company Closed."

If you worked solely for a relative, that relative may endorse the experience provided. However, he/she still may not serve as one of the five (5) required references.

See Fee Schedule for appropriate fee and be sure to enclose a check or money order. Checks should be made payable to *Secretary of State*. If fee is not attached, application will be returned.

Deadlines

Deadline date is for the complete application. All supporting documentation and information must be received before an application is considered complete. If they are not received by the deadline date, you may not be considered until the next scheduled exam. *It is the applicant's responsibility to assure receipt of required documentation.*

December 1st is the deadline for the April examination.

June 1st is the deadline for the October examination.
