GENERAL INFORMATION FOR ALL APPLICANTS

APPLICATION STATUS

Application status can be checked online-<u>https://sos.ga.gov/georgia-state-board-physical-therapy</u>

APPLICATION REVIEW

Reinstatement applications, applications submitted by foreign-educated applicants, and any applications indicating arrests, convictions, substance abuse history or other board sanctions must be reviewed and approved by the Board at the regularly scheduled meeting. Board meeting dates are available at https://sos.ga.gov/georgia-state-board-physical-therapy. Information to be presented to the board must be in the board's office not less than two (2) weeks prior to the board meeting.

APPLICATION DECISIONS

Most applications can be administratively processed and do not require Board review. However, if Board review is required, correspondence from Board meetings will be processed in approximately 15 business days following the conclusion of the meeting. Correspondence is sent via email.

INCOMPLETE APPLICATIONS - See Board Rule 490-2-.01

You must respond to all the questions and requests on the application or it will be returned for you to complete. Applications are void after 60 days from the date of notification of application deficiencies. If all required supplemental documents are not received within that 60-Day window your application will be withdrawn and you will need to reapply.

FINGERPRINT BACKGROUND CHECK

<u>Criminal background checks are required by the law for each application for licensure.</u> For more detailed information on how to register to satisfy this requirement, please visit the "FORMS" section on the Georgia State Board of Physical Therapy website at https://sos.ga.gov/georgia-state-board-physical-therapy to download the "PT & PTA FIELDPRINT-GAPS Fingerprinting Instructions."

- Please register to have your fingerprints taken then submit your application or complete them simultaneously as it is your application that signals to staff to visit the FIELDPRINT-GAPS site to approve you for printing. If no application is on file with the Board within 30 days of your print registration, approval to get printed will be declined and you will need to pay another fee to register for prints.
- Once approved, you will receive an email from FIELDPRINT-GAPS informing you to go to a print location to get printed within 90 days of the date of notification. It is imperative that you complete your fingerprints within that timeframe. If you fail to do so, you will have to pay an additional registration fee with FIELDPRINT-GAPS and await approval from the board office to get printed. DO NOT MAIL FINGERPRINT CARDS TO THE BOARD. THEY WILL BE RETURNED TO YOU AND THIS WILL DELAY THE PROCESSING OF YOUR APPLICATION.
- Your results are only available for thirty (30) days from the date you submit your prints; therefore, after prints have been taken, you must notify the Board by sending an email to PLB-Healthcare2@sos.ga.gov. If the thirty (30) days have expired and your results are no longer available to the Board you will be required to pay the cost to have your prints retaken.
- ** **DISCLAIMER**: The Georgia State Board of Physical Therapy is not responsible for unacceptable or rejected fingerprints; the vendor is responsible for providing acceptable fingerprints.
- ** PLEASE NOTE: If you want to challenge the accuracy of the background results or need to correct or update the record, you must notify the Board in writing that you plan to challenge and you will be given 30 days from the date of notice to do so by contacting the entity or court that reported the information in the manner prescribed on the Privacy Rights you were provided.

APPLICATION DEFICIENCY NOTIFICATIONS

Applicants will receive application deficiency notification via email listing documents needed to complete the application.

ADDRESS CHANGES/EMAIL CHANGES

Notify the board in writing of an email or address change immediately and state on the notification that you are an applicant.

TRAINING PERMITS - See Board Rule 490-2-.04

You will receive correspondence form the Board encouraging you to complete a comprehensive review of your individual Score Report that is provided to you by FSBPT before you schedule to retake the exam. See Board Rule 490-3-.02 and the FAQ entitled "What should I do if I fail the exam?" both of which may be located on the board website.

NON-CRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant that is the subject of a Georgia only or a Georgia and Federal Bureau of Investigation (FBI) national fingerprint/biometric-based criminal history record check for a non-criminal justice purpose (such as an application for a job or license, immigration or naturalization, security clearance, or adoption), you have certain rights which are discussed below.

You must be provided written notification that your fingerprints/biometrics will be used to check the criminal history records maintained by the Georgia Crime Information Center (GCIC) and the FBI, when a federal record check is so authorized.

If your fingerprints/biometrics are used to conduct a FBI national criminal history check, you are provided a copy of the Privacy Act Statement that would normally appear on the FBI fingerprint card.

If you have a criminal history record, the agency making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.

The agency must advise you of the procedures for changing, correcting, or updating your criminal history record as set forth in Title 28, Code of Federal Regulations (CFR), and Section 16.34.

If you have a Georgia or FBI criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the agency denies you the job, license or other benefit based on information in the criminal history record.

In the event an adverse employment or licensing decision is made, you must be informed of all information pertinent to that decision to include the contents of the record and the effect the record had upon the decision. Failure to provide all such information to the person subject to the adverse decision shall be a misdemeanor [O.C.G.A. § 35-3-34(b) and §35-3-35(b)].

You have the right to expect the agency receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of state and/or federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

If the employment/licensing agency policy permits, the agency may provide you with a copy of your Georgia or FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, information regarding how to obtain a copy of your Georgia, FBI or other state criminal history may be obtained at the GBI website (http://gbi.georgia.gov/obtaining-criminal-history-record-information).

If you decide to challenge the accuracy or completeness of your Georgia or FBI criminal history record, you should send your challenge to the agency that contributed the questioned information. Alternatively, you may send your challenge directly to GCIC provided the disputed arrest occurred in Georgia. Instructions to dispute the accuracy of your criminal history can be obtained at the GBI website (http://gbi.georgia.gov/obtaining-criminalhistory-record-information).

Attachment B PRIVACY ACT STATEMENT

Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.
