

INFORMATION FOR APPLICANTS FOR GEOLOGISTS EXAMINATION

Applicants for examination in Georgia now take the National Association of State Boards of Geology (ASBOG®) national examination for registration in Georgia. The Board believes that, since the ASBOG® examination is widely accepted as satisfying the examination requirement in other states, using the ASBOG® examination in Georgia will facilitate reciprocity for Georgia registered geologists.

The ASBOG® Examination consists of two parts. Part I, Fundamentals of Geology (FG), can be taken after the education requirement is completed. Part II, Practice of Geology (PG), can be taken after the work experience, as well as educational, requirements are completed. Candidates who passed either Part I or Part II of the Georgia Examination will only be required to pass the remaining part of the ASBOG® Examination.
