***** NOTICE *****

The Georgia State Board of Registration for Professional Geologists has adopted Rule 265-4-.06(3) & (4) regarding reinstatement and renewal of a license:

(3) Registrations not renewed before the expiration date may be renewed during the six-month late renewal period by submission of the renewal application with the late renewal fee. Failure to renew a registration by the end of the late renewal period shall have the same effect as revocation of the registration. Any person whose registration is revoked for failure to renew must apply for reinstatement on a form provided by the Board; reinstatement is granted or denied at the discretion of the Board. Any person who applies for reinstatement more than two years following expiration of the registration may be required by the Board to take and pass the geology examination as a condition for reinstatement.

(4) Neither the failure of the Board to send nor the failure of the registrant to receive a renewal application shall excuse the registrant from failure to renew a registration in a timely manner. If the registration is not renewed before December 31 of odd-numbered years, continued practice after such date shall constitute unlawful practice and is a ground for discipline.
