

## Suggested Study Materials for Registered Forester Candidates (Georgia Exam)

The Georgia forester exam is meant to ensure applicants are aware of Georgia – specific laws, regulations, forest health concerns, our forests, and general legal procedures as they relate to real property. The below is meant to provide some framework for these topics and suggested materials that should be reviewed in preparation for the exam.

- Rules and regulations of the Georgia Board of Registration for Foresters  
<https://sos.ga.gov/index.php/licensing/plb/23>
- Basic knowledge and understanding of plats and deeds – how they are filed, typical nomenclature on these documents - any Georgia courthouse or <http://publicrecords.onlinesearches.com/Georgia-Land-Records-and-Deeds.htm>
- Handbook for Land and Tree Measurements – textbook by Univ. of Georgia (fee purchase) Langdale Center for Forest Business; Warnell School of Forestry and Natural Resources University of Georgia; 180 E. Green Street; Athens, GA 30602 <https://warnell.uga.edu/about/centers-labs/harley-langdale-jr-center-forest-business>

Technical Forestry and Forest Management:

- Knowledge of Georgia's Forests- Forest Inventory & Analysis updates
- Invasive Plants of Georgia's Forests
- Forest Health Guide for Georgia
- Georgia's Best Management Practices

All can be found on Georgia Forestry Commission's website <http://www.gatrees.org/resources/publications/>.
