

Employee Registration Information

- **The licensee (employer) must submit the application** on behalf of every employee hired to work as a private detective or armed security guard, even if the employee has an active registration with another employer or company.
- Unarmed security guards are **not** required to be registered with the Georgia Board of Private Detective & Security Agencies; however, unarmed security guards must be trained according to the Board standards and are governed by the Board as mandated in OCGA 43-38-7.1.
- **Employee Registrations are not transferrable. Employees shall not use an existing registration to work for a company other than the company that is indicated on their Registration.**
- Registrations are only valid when employees are performing investigative or armed security duties for the employer listed on the Registration.
- Company owners or designated license holders for corporations, LLC's, or partnerships must also have an Employee Registration if they plan to practice in the role of an Armed Security Guard Employee or Private Detective Employee. The registration fee for those individuals is the same as for all other employees.
- **When applying for both PRIVATE DETECTIVE EMPLOYEE and SECURITY GUARD EMPLOYEE registrations, you may make application for a "Dual" license.**
- The employee must physically carry proof of Registration at all times while on duty, at the place of employment, or any time that the employee is in uniform.
- If armed, proof of Registration must be carried by the employee while a weapon is carried on duty, while in uniform, or in route directly to and from the post or place of employment (**Board Rule 509-4-.01**).
- The "Reinstatement of Registration Number" section on the application is only to be used if the employee is reinstating a Registration that has lapsed for the same employer.

APPLICATION PROCESSING

- The **licensee (employer)** is responsible for ensuring that the application is complete and correctly prepared.
- Incomplete/deficient applications may be returned to the **licensee (employer)** for completion, and failure to submit a complete application will result in processing delays. Incomplete applications will expire and be withdrawn from the system 60 days after the applicant has been notified of deficiencies.
- **A valid email address is required for communication between the Licensing Board and applicants.**
- Allow a minimum of 15 business days for processing of the application, fingerprints, and other required documentation.
- **Criminal History / Disciplinary Actions:** Applicants who answer "**Yes**" to the application questions concerning criminal history or disciplinary actions taken against them must submit **certified** documentation of court dispositions, agency orders, or any other documentation to provide a complete answer to such questions. Failure to provide this information will result in processing delays and may be grounds for disapproval of the application by the Board.

Instructions for Georgia Resident Applicants Obtain Fingerprints for a Background Check

The Georgia Board of Private Detective and Security Agencies requires a fingerprint background check on all applicants. Fingerprints are processed through Georgia Applicant Processing Service (GAPS). The Federal/State criminal history results will be available to the Board within 48 hours after the applicant has been fingerprinted and the prints are received by GBI, Georgia Crime Information Center (GCIC). Please use the following instructions to register for your background check. If additional assistance is required, you may contact Fieldprint Customer Service at 1-800-799-1067 or by email at customerservice@fieldprint.com.

Have a form of payment available when logging into the Fieldprint website, as payment will be required at the time of registering.

GAPS REGISTRATION PROCESS

Applicants must complete a LiveScan fingerprinting process from an approved Georgia Applicant Processing Services (GAPS) site. Register for fingerprinting at <https://www.fieldprintgeorgia.com/>. When registering:

- Select “Schedule an Appointment” under the “For Individuals” page
- New users will need to create a new user account by clicking “Sign Up” while returning users can simply login. Note: a valid personal email address **must** be included. A third party/agency email address is not permitted.
- Follow the prompts and enter all required fields to complete the sign up. Once your account has been verified, you will be able to log in to the Fieldprint scheduling site using your credentials.
- You will then select “Secretary of State (SOS)”, and then select “Private Detective/Security Business”.
- Enter all required personal information, ensuring that the information entered is consistent with the ID you will be presenting at fingerprinting. A list of acceptable forms of ID is linked at the top of the page.
- Read and accept the Biometric Disclosure and Privacy Statement.
- After following all prompts you will send your request for agency approval. You will be notified once the Board has reviewed and approved your request, which cannot occur until your application for licensure has been received by the Board.
- When you log back in, the system will prompt you to “Continue Scheduling”. Select a location, date, and time for your Livescan fingerprint capture. And schedule your appointment to be fingerprinted.
- For out of state applicants, if a Livescan location is unavailable within the contracted range, the system will offer you the ability to request an ink card packet.
