

Low Voltage Contractors Suggested Reference List

Only the reference materials listed on this document may be used during the examination. No other reference materials will be allowed. Some of the test questions will be based on field experience and knowledge of trade practices; therefore, questions will not be limited to the reference materials listed below. Candidates may bring as many or as few of the references listed as desired.

Low Voltage - Alarm: References 1-5 and 7, 8

Low Voltage - General: References 1-5, (reference 6 is optional)

Low Voltage - Telecommunications: References 1-6

Low Voltage - Unrestricted: References 1-8

 - b) UL 1076-2018 - *Proprietary Burglar Alarm System Units*, 2018, 6th edition.

NOTICE TO CANDIDATES: Please be aware that you are allowed to bring to the exam ONLY the references listed above. You are NOT to bring in other photocopied materials or handwritten notes, even if they are pasted in the reference book. References may be highlighted, underlined or tabbed with permanent tabs. Any additional materials will be removed from your reference and confiscated, and the candidate may be removed from the examination.

This reference list will be applicable to examinations administered through **December 31, 2022**. If you plan to take the examination after **December 31, 2022** you may obtain an updated reference list from the Board's website at www.sos.ga.gov/plb or www.psionline.com. Because references are not always available when requested, and obtaining them may take some time, IT IS TO YOUR ADVANTAGE to order them WELL AHEAD of the EXAMINATION.
