

GEORGIA DEPARTMENT OF AUCTIONEERS

Escrow/Trust Account Information

Effective July 1, 2026 O.C.G.A. § 43-6 requires that all Auctioneers maintain at all times an active escrow or trustee account in their name at a financial institution, for the receipt, holding, or disbursement of funds belonging to others arising from auction activities. Auctioneers are required to provide information identifying such account, together with authorization permitting examination of the account by the Secretary of State or his or her designee and are required to notify the Secretary of State of any change in the name or location of the escrow or trustee account or any other material change.
