At that site, use the "Find a Facility" search tool to search for licensed health care-related facilities licensed by that agency. If your facility is not licensed under O.C.G.A. § 31-7 and included on that site, not operated exclusively by the federal government or any of its agencies, or not a physician's office affiliated with a health system, you may not use Option Four to satisfy the continuing competency requirements.

Employees of the Georgia Department of Public Health may use this form to satisfy Option Four of the continuing competency requirements.

For licensees completing the license renewal process, this form should be submitted to CE Broker (www.cebroker.com) using the instructions contained on the Board's website (<https://sos.ga.gov/georgia-board-nursing>).
