

State Election Board
December 3, 2022

Members of the public:

Because the meeting broadcast was intruded with the showing of inappropriate visual images, I chose not to continue the broadcast of the meeting. Here is the report that was interrupted by the hacking incident:

During executive session the Board discussed with its counsel the order entered by the Cobb County Superior Court on December 2, 2022, in a lawsuit seeking a remedy for claimed delay by Cobb County in timely sending absentee ballots to those who timely requested them. We will continue to monitor the lawsuit. An investigation of the handling of requests for absentee ballots for the runoff has been opened by the Board and will be included with the investigation previously opened regarding Cobb County's failure to mail absentee ballots requested for the general election.

No official action was taken by the Board. The meeting has been adjourned.

-William S. Duffey Jr., Chairman
